EVIDENCE OF COVERAGE

This Evidence of Coverage, including any attachments, amendments and riders, is a part of the Group Contract issued to the Group through which the Subscriber is enrolled for health benefits. In addition, the Group Contract includes other provisions that explain the duties of CareFirst and the Group. The Group's payment and CareFirst's issuance make the Group Contract's terms and provisions binding on CareFirst and the Group.

CareFirst provides administrative claims payment services only and does not assume any financial risk or obligation with respect to those claims.

The Group reserves the right to change, modify, or terminate the Plan, in whole or in part. Members have no benefits after a Plan termination or partial Plan termination affecting them, except with respect to covered events giving rise to benefits and occurring prior to the date of Plan termination or partial Plan termination and except as otherwise expressly provided, in writing, by the Group, or as required by federal, state or local law.

Members should not rely on any oral description of the Plan, because the written terms in the Group's Plan documents always govern.

CareFirst has provided this Evidence of Coverage, including any amendments or riders applicable thereto, to the Group in electronic format. Any errors, changes and/or alterations to the electronic data, resulting from the data transfer or caused by any person shall not be binding on CareFirst. Such errors, changes and/or alterations do not create any right to additional coverage or benefits under the Group's health benefit plan as described in the health benefit plan documents provided to the Group in hard copy format.

DEFINITIONS

The Evidence of Coverage uses certain defined terms. When these terms are capitalized, they have the following meaning:

Allowed Benefit means:

1. **Contracted Health Care Providers:** For a Health Care Provider that has contracted with CareFirst BlueChoice, the Allowed Benefit for a Covered Service is the lesser of the actual charge which, in some cases, will be a rate set by a regulatory agency; or the amount CareFirst allows for the service in effect on the date that the service is rendered. The benefit is payable to the Health Care Provider and is accepted as payment in full, except for any applicable Member payment amounts, as stated in the Schedule of Benefits.
2. **Non-Contracted Health Care Providers:**
 - a. **Non-Contracted health care practitioner:** For a health care practitioner that has not contracted with CareFirst, the Allowed Benefit for a Covered Service is based upon the lesser of the provider's actual charge or established fee schedule which, in some cases, will be a rate specified by applicable law. The benefit is payable to the Subscriber or to the health care practitioner, at the discretion of CareFirst. If CareFirst pays the Subscriber, it is the Member's responsibility to pay the health care practitioner. Additionally, the Member is responsible for any applicable Member payment amounts, as stated in the Schedule of Benefits, and for the difference between the Allowed Benefit and the health care practitioner's actual charge.
 - b. **Non-Contracted hospital or health care facility:** For a hospital or health care facility that has not contracted with CareFirst, the Allowed Benefit for a Covered Service is based upon the lower of the provider's actual charge or established fee schedule, which, in some cases, will be a rate specified by applicable law. In some cases, and on an individual basis, CareFirst is able to negotiate a lower rate with an eligible provider. In that instance, the CareFirst payment will be based on the negotiated fee and the provider agrees to accept the amount as payment in full except for any applicable Member payment amounts, as stated in the Schedule of Benefits. The benefit is payable to the Subscriber or to the hospital or health care facility, at the discretion of CareFirst. Benefit payments to United States Department of Defense and United States Department of Veteran Affairs providers will be made directly to the provider. If CareFirst pays the Subscriber, it is the Member's responsibility to pay the hospital or health care facility. Additionally, the Member is responsible for any applicable Member payment amounts, as stated in the Schedule of Benefits and, unless negotiated, for the difference between the Allowed Benefit and the hospital or health care facility's actual charge.
 - c. **Non-Contracted Emergency Services Health Care Provider:** CareFirst shall pay the greater of the following amounts for Emergency Services received from a non-contracted Emergency Services Health Care Provider:
 - 1) The Allowed Benefit stated in paragraphs 2.a., or 2.b.
 - 2) The amount negotiated with Contracted Health Care Providers for the Emergency Service provided, excluding any Copayment or Coinsurance that would be imposed if the service had been received from a contracted Emergency Services Health Care Provider. If there is more than one amount negotiated with Contracted Health Care Providers for the Emergency Service provided, the amount paid shall be the median of these negotiated amounts, excluding any Copayment or Coinsurance that would be imposed if the service had been received from a contracted Emergency Services Health Care Provider.

- 3) The amount for the Emergency Service calculated using the same method CareFirst generally used to determine payments for services provided by a Non-Contracted Health Care Provider, excluding any Copayment or Coinsurance that would be imposed if the service had been received from a contracted Emergency Services Health Care Provider.
- 4) The amount that would be paid under Medicare (part A or part B of Title XVIII of the Social Security Act, 42 U.S.C. 1395 et seq.) for the Emergency Service, excluding any Copayment or Coinsurance that would be imposed if the service had been received from a contracted Emergency Services Health Care Provider.

Adverse Decision means a utilization review determination that a proposed or delivered health care service covered under the Claimant's contract is or was not Medically Necessary, appropriate, or efficient; and may result in non-coverage of the health care service.

Ancillary Services means facility services that may be rendered on an inpatient and/or outpatient basis. These services include, but are not limited to, diagnostic and therapeutic services such as laboratory, radiology, operating room services, incremental nursing services, blood administration and handling, pharmaceutical services, Durable Medical Equipment and Medical Supplies. Ancillary Services do not include room and board services billed by a facility for inpatient care.

Applied Behavior Analysis means the design, implementation, and evaluation of environmental modifications, using behavioral stimuli and consequences, to produce socially significant improvement in human behavior, including the use of direct observation, measurement, and functional analysis of the relationship between environment and behavior.

Benefit Period means the period of time during which Covered Services are eligible for payment. The Benefit Period is: **January 1st** through **December 31st**.

Cardiac Rehabilitation means inpatient or outpatient services designed to limit the physiologic and psychological effects of cardiac illness, reduce the risk for sudden death or reinfarction, control cardiac symptoms, stabilize or reverse atherosclerotic process and enhance the psychosocial and vocational status of Eligible Members.

CareFirst means CareFirst of Maryland, Inc., doing business as CareFirst BlueCross BlueShield.

CareFirst BlueChoice means CareFirst BlueChoice, Inc.

Claims Administrator means CareFirst.

Coinsurance means the percentage of the Allowed Benefit allocated between CareFirst and the Member whereby CareFirst and the Member share in the payment for Covered Services.

Contracted Health Care Provider means a Health Care Provider that has contracted with CareFirst.

Convenience Item means any item that increases physical comfort or convenience without serving a Medically Necessary purpose (e.g., elevators, hooyer/stair lifts, ramps, shower/bath bench, items available without a prescription).

Copayment (Copay) means a fixed dollar amount that a Member must pay for certain Covered Services. When a Member receives multiple services on the same day by the same Health Care Provider, the Member will only be responsible for one Copay.

Cosmetic means the use of a service or supply which is provided with the primary intent of improving appearance, not restoring bodily function or correcting deformity resulting from disease, trauma, or previous therapeutic intervention, as determined by CareFirst.

Covered Service means a Medically Necessary service or supply provided in accordance with the terms of this Evidence of Coverage.

Deductible means the dollar amount of Covered Services based on the Allowed Benefit, which must be Incurred before CareFirst will pay for all or part of remaining Covered Services. The Deductible is met when the Member receives Covered Services that are subject to the Deductible and pays for these him/herself.

Dependent means a Member, other than the Subscriber, meeting the eligibility requirements established by the Group, who is covered under this Evidence of Coverage.

Dependent includes a child who has not attained the Limiting Age stated in the Eligibility Schedule irrespective of the child's:

1. Financial dependency on an individual covered under this Evidence of Coverage;
2. Marital status;
3. Residency with an individual covered under this Evidence of Coverage;
4. Student status;
5. Employment; or
6. Satisfaction of any combination of the above factors.

Domestic Partner means a person of the same and opposite sex who cohabitates/resides with the Subscriber in a Domestic Partnership.

Domestic Partnership means a relationship between a Subscriber and Domestic Partner that satisfies the Group's Domestic Partner requirements.

Note: Except for the "Special Enrollment Periods" of the Eligibility and Enrollment section and Infertility Services, references in this Evidence of Coverage to a Dependent spouse shall be construed to include a Domestic Partner. References in this Evidence of Coverage to Dependent child shall be construed to include a child of a Domestic Partner.

Designated Radiology Center means a Contracting Health Care Provider that has been designated as a "Designated Radiology" site of service by CareFirst where Members may obtain diagnostic service benefits to the extent stated in this Evidence of Coverage. Members may contact CareFirst for a list of Designated Radiology Centers.

Diabetes Supplies means Medical Supplies prescribed by a Health Care Provider for the treatment of diabetes.

Effective Date means the date on which the Member's coverage becomes effective. Covered Services rendered on or after the Member's Effective Date are eligible for coverage.

Emergency Medical Condition means a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in:

1. Placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy;
2. Serious impairment to bodily functions; or
3. Serious dysfunction of any bodily organ or part.

Emergency Services means, with respect to an Emergency Medical Condition:

1. A medical screening examination (as required under section 1867 of the Social Security Act, 42 U.S.C. 1395dd) that is within the capability of the emergency department of a hospital, including ancillary services routinely available to the emergency department to evaluate such Emergency Medical Condition, and
2. Such further medical examination and treatment, to the extent they are within the capabilities of the staff and facilities available at the hospital, as are required under section 1867 of the Social Security Act (42 U.S.C. 1395dd(e)(3)) to stabilize the Member. The term to “stabilize” with respect to an Emergency Medical Condition, has the meaning given in section 1867(e)(3) of the Social Security Act (42 U.S.C. 1395dd(e)(3)).

Essential Health Benefits has the meaning found in section 1302(b) of the Patient Protection and Affordable Care Act and as further defined by the Secretary of the United States Department of Health and Human Services and includes ambulatory patient services; emergency services; hospitalization; maternity and newborn care; mental health and substance use disorder services, including behavioral health treatment; prescription drugs; rehabilitative and habilitative services and devices; laboratory services; preventive and wellness services and chronic disease management; and pediatric services, including oral and vision care.

Evidence of Coverage means this agreement, which includes the acceptance, riders, and amendments, if any, between the Group and CareFirst (also referred to as the Group Contract).

Experimental/Investigational means a service or supply that is in the developmental stage and in the process of human or animal testing excluding Controlled Clinical Trial Patient Cost Coverage as stated in the Description of Covered Services. Services or supplies that do not meet all five of the criteria listed below are deemed to be Experimental/Investigational:

1. The Technology* must have final approval from the appropriate government regulatory bodies;
2. The scientific evidence must permit conclusions concerning the effect of the Technology on health outcomes;
3. The Technology must improve the net health outcome;
4. The Technology must be as beneficial as any established alternatives; and
5. The improvement must be attainable outside the Investigational settings.

*Technology includes drugs, devices, processes, systems, or techniques.

FDA means the U.S. Food and Drug Administration.

Fertility Awareness–Based Methods means methods of identifying times of fertility and infertility by an individual to avoid pregnancy including:

1. Cervical mucus methods;
2. Symptom-thermal or symptom-hormonal methods;
3. The standard days method; and,
4. The lactational amenorrhea method.

Group means the Subscriber's employer/Plan Sponsor or other organization to which CareFirst has issued the Group Contract and Evidence of Coverage.

Group Contract means the agreement issued by CareFirst to the Group through which the benefits described in this Evidence of Coverage are made available. In addition to the Evidence of Coverage, the Group Contract includes any riders and/or amendments attached to the Group Contract or Evidence of Coverage and signed by an officer of CareFirst.

Habilitative Services means health care services and devices, including, but not limited to, Occupational Therapy, Physical Therapy, and Speech Therapy that help a child keep, learn, or improve skills and functioning for daily living.

Health Care Provider means a hospital, health care facility, or health care practitioner licensed or otherwise authorized by law to provide Covered Services.

Hearing Aid Allowed Benefit means the dollar amount CareFirst allows for the particular hearing device in effect on the date that the service is rendered.

Home Health Care means the continued care and treatment of a Member by a Health Care Provider in the home if:

1. The Member is under the care of a Health Care Provider;
2. Institutionalization of the Member would have been required and deemed Medically Necessary, if Home Health Care was not provided; and
3. The Member's physician establishes and approves in writing the Plan of Treatment recommending the Home Health Care service.

Incurred means a Member's receipt of a health care service or supply for which a charge is made.

Infusion Therapy means treatment that places therapeutic agents into the vein, including intravenous feeding.

Lifetime Maximum means the maximum dollar amount payable toward a Member's claims for Covered Services while the Member is covered under this Evidence of Coverage. Essential Health Benefits Covered Services are not subject to the Lifetime Maximum. See the Schedule of Benefits to determine if there is a Lifetime Maximum for Covered Services that are **not** Essential Health Benefits.

Limiting Age means the maximum age to which an eligible child may be covered under this Evidence of Coverage as stated in the Eligibility Schedule.

Medical Director means a board certified physician who is appointed by CareFirst. The duties of the Medical Director may be delegated to qualified persons.

Medically Necessary or Medical Necessity means health care services or supplies that a Health Care Provider, exercising prudent clinical judgment, renders to or recommends for, a patient for the purpose of preventing, evaluating, diagnosing or treating an illness, injury, disease or its symptoms. These health care services or supplies are:

1. In accordance with generally accepted standards of medical practice;
2. Clinically appropriate, in terms of type, frequency, extent, site and duration, and considered effective for a patient's illness, injury or disease;
3. Not primarily for the convenience of a patient or Health Care Provider; and
4. Not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results in the diagnosis or treatment of that patient's illness, injury, or disease.

For these purposes, "generally accepted standards of medical practice" means standards that are based on credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community, physician specialty society recommendations and views of Health Care Providers practicing in relevant clinical areas, and any other relevant factors.

Member means an individual who meets all applicable eligibility requirements, is enrolled either as a Subscriber or Dependent, and for whom payment has been received by CareFirst.

Non-Contracted Health Care Provider means a Health Care Provider that does not contract with CareFirst

Occupational Therapy means the use of purposeful activity or interventions designed to achieve functional outcomes that promote health, prevent injury or disability, and that develop, improve, sustain or restore the highest possible level of independence of an individual who has an injury, illness, cognitive impairment, psychosocial dysfunction, mental illness, developmental or learning disability, physical disability, loss of a body part, or other disorder or condition.

Open Enrollment means a single period of time in each benefit year during which the Group gives eligible individuals the opportunity to change coverage or enroll in coverage.

Out-of-Pocket Maximum means the maximum amount the Member will have to pay for his/her share of benefits in any Benefit Period.

Over-the-Counter means any item or supply, as determined by CareFirst, that is available for purchase without a prescription. This includes, but is not limited to, non-prescription eye wear, family planning and contraception products, cosmetics or health and beauty aids, food and nutritional items, support devices, non-medical items, foot care items, first aid and miscellaneous medical supplies (whether disposable or durable), personal hygiene supplies, incontinence supplies, and Over-the-Counter medications and solutions, except for Over-the-Counter medication or supply dispensed under a written prescription by a Health Care Provider that is identified in the current recommendations of the United States Preventive Services Task Force that have in effect a rating of "A" or "B".

Paid Claims means the amount paid by CareFirst for Covered Services. Inter-Plan Arrangements Fees and Compensation are also included in Paid Claims. Other payments relating to fees and programs applicable to CareFirst's role as Claims Administrator may also be included in Paid Claims.

Partial Hospitalization means the provision of medically directed intensive or intermediate short-term treatment in a licensed or certified facility or program for treatment of mental illnesses, emotional or behavioral disorders, or substance use disorders.

Physical Therapy means the short-term treatment described below that can be expected to result in an improvement of a condition. Physical Therapy is the treatment of disease or injury through the use of therapeutic exercise and other interventions that focus on improving a person's ability to go through the functional activities of daily living, to develop and/or restore maximum potential function, and to reduce disability following an illness, injury, or loss of a body part. These may include improving posture, locomotion, strength, endurance, balance, coordination, joint mobility, flexibility, and alleviating pain.

Plan means that portion of the Group Health Plan established by the Group that provides for health care benefits for which CareFirst is the Claims Administrator under this Group Contract.

Plan of Treatment means the plan written and given to CareFirst by the attending Health Care Provider on CareFirst forms which shows the Member's diagnoses and needed treatment.

Prescription Drug means:

1. A drug, biological, or compounded prescription intended for outpatient use that carries the FDA legend "may not be dispensed without a prescription."

2. Drugs prescribed for treatments other than those stated in the labeling approved by the FDA, if the drug is recognized for such treatment in standard reference compendia or in the standard medical literature as determined by CareFirst.
3. Over-the-Counter medication or supply, if Over-the-Counter medications or supply are Covered Services under this Evidence of Coverage.
4. Diabetes Supplies.
5. Prescription Drugs do not include:
 - a. Compounded bulk powders that contain ingredients that:
 - 1) Do not have FDA approval for the route of administration being compounded, or
 - 2) Have no clinical evidence demonstrating safety and efficacy, or
 - 3) Do not require a prescription to be dispensed.
 - b. Compounded drugs that are available as a similar commercially available Prescription Drug unless:
 - 1) There is no commercially available bio-equivalent Prescription Drug; or
 - 2) The commercially available bio-equivalent Prescription Drug has caused or is likely to cause the Member to have an adverse reaction.

Primary Care Provider (PCP) means a health care practitioner in the following disciplines:

1. Family practice medicine;
2. Adult health medicine;
3. General practice medicine;
4. Internal practice medicine
5. Pediatric medicine;
6. Geriatric medicine; or
7. Any other practice area determined by the Group.

Private Duty Nursing means Skilled Nursing Care services, ordered by a Health Care Provider, that can only be provided by a licensed health care professional.

Rehabilitative Services include Physical Therapy, Occupational Therapy, and Speech Therapy for the treatment of individuals who have sustained an illness. The goal of Rehabilitative Services is to return the individual to his/her prior skill and functional level.

Rescission means a cancellation or discontinuance of coverage that has retroactive effect. For example, a cancellation that treats coverage as void from the time of the individual's or group's enrollment is a Rescission. As another example, a cancellation that voids benefits paid up to a year before the cancellation is also a Rescission for this purpose. A cancellation or discontinuance of coverage is not a Rescission if:

1. The cancellation or discontinuance of coverage has only a prospective effect; or

2. The cancellation or discontinuance of coverage is effective retroactively to the extent it is attributable to a failure to timely pay charges when due, by the Group.

Residential Crisis Services means intensive mental health and support services that are:

1. Provided to a child or an adult Member with a mental illness who is experiencing or is at risk of a psychiatric crisis that would impair the ability of the Member to function in the community; and
2. Designed to prevent a psychiatric inpatient admission, provide an alternative to psychiatric inpatient admission, shorten the length of inpatient stay, or reduce the pressure on general hospital emergency departments; and
3. Provided by entities that are licensed by the applicable licensing laws of any state or the District of Columbia to provide Residential Crisis Services; or
4. Located in subacute beds in an inpatient psychiatric facility for an adult Member.

Retail Health Clinic means mini-medical office chains typically staffed by nurse practitioners with an on-call physician. Services provided are non-emergency and non-Urgent Care services. Examples of common ailments for which a reasonable, prudent layperson who possesses an average knowledge of health and medicine would seek Retail Health Clinic care, include but are not limited to: ear, bladder, and sinus infections; pink eye; flu; and strep throat.

Service Area means CareFirst's Service Area, a clearly defined geographic area in which CareFirst has arranged for the provision of health care services to be generally available and readily accessible to Members.

Skilled Nursing Care, depending on the place of service or benefit, means:

1. Inpatient hospital/facility or Skilled Nursing Facility:
 - a. Skilled Nursing Care rendered on an inpatient basis, means care for medically fragile Members with limited endurance who require a licensed health care professional to provide skilled services in order to ensure the Member's safety and to achieve the medically desired result, provided on a 24-hour basis, seven days a week.
2. Skilled Nursing Care provided in the home:
 - a. Medically Necessary skilled care services performed by a licensed Registered Nurse (RN) or licensed Practical Nurse (LPN).
 - b. Skilled Nursing Care home visits must be a substitute for hospital care or for care in a Skilled Nursing Facility (i.e., if the visits were not provided, the Member would have to be admitted to a hospital or Skilled Nursing Facility).
 - c. Services of a home health aide, medical social worker or registered dietician performed under the supervision of a licensed professional (RN or LPN) nurse.
 - d. Skilled Nursing Care services in a Home Health Care setting must be based on a Plan of Treatment submitted by a Health Care Provider.

Skilled Nursing Care is not Medically Necessary if the proposed services can be provided by a caregiver or the caregiver can be taught and demonstrates competency in the administration of same. Performing the Activities of Daily Living (ADL), including, but not limited to, bathing, feeding, and toileting is not Skilled Nursing Care.

Skilled Nursing Facility means a licensed institution (or a distinct part of a hospital) that provides continuous Skilled Nursing Care or Rehabilitative Services.

Sound Natural Teeth include teeth restored with intra- or extra-coronal restorations (fillings, inlays, onlays, veneers, and crowns) that are in good condition, absent decay, fracture, bone loss, periodontal disease, root canal pathology or root canal therapy and excludes any tooth replaced by artificial means (fixed or removable bridges, or dentures).

Specialist means a health care practitioner who is certified or trained in a specialized field of medicine.

Specialty Drug means Prescription Drugs which include, but are not limited to, drugs that are high cost, large molecule, with high potential for adverse effects, have stability concerns requiring special handling, and/or are often derived from biologic processes rather than chemical processes. These drugs are often highly effective when used according to a strict administration regimen and therefore may require support and management services.

Speech Therapy means the treatment of communication impairment and swallowing disorders. Speech Therapy facilitates the development and maintenance of human communication and swallowing through assessment, diagnosis, and rehabilitation.

Subscriber means a Member who is covered under this Evidence of Coverage as an eligible employee or eligible participant of the Group, rather than as a Dependent.

Telemedicine Services means the use of interactive audio, video, or other electronic media for the purpose of diagnosis, consultation, or treatment of the Member at a site other than the site where the Member is located.

Type of Coverage means either Individual coverage, which covers the Subscriber only, or Family Coverage, under which a Subscriber may also enroll his or her Dependents. Some Group Contracts include additional categories of coverage, such as Individual and Adult and Individual and Child. The Types of Coverage available under this Evidence of Coverage are Individual, Individual and Child, Individual and Adult, Family.

Urgent Care means treatment for a condition that is not a threat to life or limb but does require prompt medical attention. Also, the severity of an urgent condition does not necessitate a trip to the Hospital emergency room. An Urgent Care facility is a free-standing facility that is not a physician's office and which provides Urgent Care.

Waiting Period means the period of time that must pass before an employee or dependent is eligible to enroll under the terms of the Group Health Plan. A Waiting Period determined by the Group may not exceed the limits required by applicable federal law and regulation.

ELIGIBILITY AND ENROLLMENT

A. **Requirements for Coverage**

The Group has the sole and complete authority to make determinations regarding eligibility and enrollment for membership in the Plan.

An eligible participant of the Group, and his or her Dependent(s) meeting the eligibility requirements established by the Group, may be covered under the Evidence of Coverage (see Eligibility Schedule) when all of the following conditions are met:

1. The individual elects coverage;
2. The individual is entitled to Medicare, if Medicare Complementary coverage applicable;
3. The Group accepts the individual's election and notifies CareFirst; and
4. Payments are made on behalf of the Member by the Group.

B. **Enrollment Opportunities and Effective Dates**

Eligible individuals may elect coverage as Subscribers or Dependents, as applicable, only during the following times and under the following conditions. If an individual meets these conditions, his or her enrollment will be treated as timely enrollment. Enrollment at other times will be treated as special enrollment and will be subject to the conditions and limitations stated in Special Enrollment Periods. Disenrollment is not allowed during a contract year except as stated in section B.1., and as stated in the Termination of Coverage section of the Evidence of Coverage.

1. **Open Enrollment Period**

Open Enrollment changes will be effective on the Open Enrollment effective date stated in the Eligibility Schedule.

- a. During the Open Enrollment period, all eligible persons may elect, change, or voluntarily disenroll from coverage, or transfer coverage between CareFirst and all other alternate health care plans available through the Group.
- b. In addition, Subscribers already enrolled in CareFirst may change their Type of Coverage (e.g., from Individual to Family Coverage) and/or add eligible Dependents not previously enrolled under their coverage.

2. **Newly Eligible Subscriber**

A newly eligible individual and his/her Dependents may enroll and will be effective as stated in the Eligibility Schedule. If such individuals do not enroll within this period and do not qualify for special enrollment as described below, they must wait for the Group's next Open Enrollment period.

3. **Special Enrollment Periods**

Special enrollment is allowed for certain individuals who lose coverage. Special enrollment is also allowed with respect to certain dependent beneficiaries. Enrollment will be effective as stated in the Eligibility Schedule.

These special enrollment periods are not the same as Medicare special enrollment periods.

If only the Subscriber is eligible under this Evidence of Coverage and dependents are not eligible to enroll, special enrollment periods for a spouse/ same and opposite sex Domestic Partner/Dependent child are not applicable.

If retirees are eligible for coverage under this Evidence of Coverage, references to an employee shall be construed to include a retiree, except for references made within the

“Special enrollment for certain individuals who lose coverage” subsection below, as special enrollment for certain enrollment who lose coverage is not applicable to retirees.

- a. Special enrollment for certain individuals who lose coverage:
 - 1) CareFirst will permit current employees and dependents to enroll for coverage without regard to the dates on which an individual would otherwise be able to enroll under this Evidence of Coverage.
 - 2) Individuals eligible for special enrollment.
 - a) When employee loses coverage. A current employee and any dependents (including the employee’s spouse/ same and opposite sex Domestic Partner) each are eligible for special enrollment in any benefit package offered by the Group (subject to Group eligibility rules conditioning dependent enrollment on enrollment of the employee) if:
 - (1) The employee and the dependents are otherwise eligible to enroll;
 - (2) When coverage was previously offered, the employee had coverage under any group health plan or health insurance coverage; and
 - (3) The employee satisfies the conditions of paragraph B.3.a.3)a), b), or c) of this section, and, if applicable, paragraph B.3.a.3)d) of this section.
 - b) When dependent loses coverage. A dependent of a current employee (including the employee’s spouse/ same and opposite sex Domestic Partner) and the employee each are eligible for special enrollment in any benefit package offered by the Group (subject to Group eligibility rules conditioning dependent enrollment on enrollment of the employee) if:
 - (1) The dependent and the employee are otherwise eligible to enroll;
 - (2) When coverage was previously offered, the dependent had coverage under any group health plan or health insurance coverage; and
 - (3) The dependent satisfies the conditions of paragraph B.3.a.3)a), b), or c) of this section, and, if applicable, paragraph B.3.a.3)d) of this section.
 - (4) However, CareFirst is not required to enroll any other dependent unless the dependent satisfies the criteria of this paragraph B.3.a.2)b), or the employee satisfies the criteria of paragraph B.3.a.2)a) of this section.
 - 3) Conditions for special enrollment.
 - a) Loss of eligibility for coverage. In the case of an employee or dependent who has coverage that is not COBRA continuation coverage, the conditions of this paragraph B.3.a.3)a) are satisfied at the time the coverage is terminated as a result of loss of

eligibility (regardless of whether the individual is eligible for or elects COBRA continuation coverage). Loss of eligibility under this paragraph does not include a loss due to the failure of the employee or dependent to pay premiums on a timely basis or termination of coverage for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact). Loss of eligibility for coverage under this paragraph includes, but is not limited to:

- (1) Loss of eligibility for coverage as a result of legal separation, divorce, cessation of dependent status (such as attaining the Limiting Age), death of an employee, termination of employment, reduction in the number of hours of employment, and any loss of eligibility for coverage after a period that is measured by any of the foregoing;
 - (2) In the case of coverage offered through a health maintenance organization, or other arrangement, in the individual market that does not provide benefits to individuals who no longer reside, live, or work in a service area, loss of coverage because an individual no longer resides, lives, or works in the service area (whether or not within the choice of the individual);
 - (3) In the case of coverage offered through a health maintenance organization, or other arrangement, in the group market that does not provide benefits to individuals who no longer reside, live, or work in a service area, loss of coverage because an individual no longer resides, lives, or works in the service area (whether or not within the choice of the individual) and no other benefit package is available to the individual; and
 - (4) A situation in which a plan no longer offers any benefits to the class of similarly situated individuals that includes that individual.
- b) Termination of employer contributions. In the case of an employee or dependent who has coverage that is not COBRA continuation coverage, the conditions of this paragraph are satisfied at the time employer contributions towards the employee's or dependent's coverage terminate. Employer contributions include contributions by any current or former employer that was contributing to coverage for the employee or dependent.
- c) Exhaustion of COBRA continuation coverage. In the case of an employee or dependent who has coverage that is COBRA continuation coverage, the conditions of this paragraph are satisfied at the time the COBRA continuation coverage is exhausted. For purposes of this paragraph, an individual who satisfies the conditions for special enrollment of paragraph B.3.a.3)a) of this section, does not enroll, and instead elects and exhausts COBRA continuation coverage satisfies the conditions of this paragraph.
- d) Written statement. The Group or CareFirst may require an employee declining coverage (for the employee or any dependent

of the employee) to state in writing whether the coverage is being declined due to other health coverage only if, at or before the time the employee declines coverage, the employee is provided with notice of the requirement to provide the statement (and the consequences of the employee's failure to provide the statement). If the Group or CareFirst requires such a statement, and an employee does not provide it, the Group and CareFirst are not required to provide special enrollment to the employee or any dependent of the employee under this paragraph. The Group and CareFirst must treat an employee as having satisfied the requirement permitted under this paragraph if the employee provides a written statement that coverage was being declined because the employee or dependent had other coverage; the Group and CareFirst cannot require anything more for the employee to satisfy this requirement to provide a written statement. (For example, the Group and CareFirst cannot require that the statement be notarized.)

- b. Special enrollment with respect to certain dependent beneficiaries:
- 1) Provided the Group provides coverage for dependents, CareFirst will permit the individuals described in paragraph 2), of this section to enroll for coverage in a benefit package under the terms of the Group's plan, without regard to the dates on which an individual would otherwise be able to enroll under this Evidence of Coverage.
 - 2) Individuals eligible for special enrollment. An individual is described in this paragraph if the individual is otherwise eligible for coverage in a benefit package under the Group's plan and if the individual is described in paragraph B.3.a.2)a), b), c), d), e), or f) of this section.
 - b) Spouse/ same and opposite sex Domestic Partner of a participant only. An individual is described in this paragraph if either:
 - (1) The individual becomes the spouse/ same and opposite sex Domestic Partner of a participant; or
 - (2) The individual is a spouse/ same and opposite sex Domestic Partner of a participant and a child becomes a dependent of the participant through birth, adoption, or placement for adoption.
 - c) Current employee and spouse/ same and opposite sex Domestic Partner. A current employee and an individual who is or becomes a spouse of such an employee, are described in this paragraph if either:
 - (1) The employee and the spouse/ same and opposite sex Domestic Partner become married; or
 - (2) The employee and spouse/ same and opposite sex Domestic Partner are married and a child becomes a dependent of the employee through birth, adoption, or placement for adoption.
 - d) Dependent of a participant only. An individual is described in this paragraph if the individual is a dependent of a participant and the

individual has become a dependent of the participant through marriage, birth, adoption, or placement for adoption.

- e) Current employee and a new dependent. A current employee and an individual who is a dependent of the employee, are described in this paragraph if the individual becomes a dependent of the employee through marriage, birth, adoption, or placement for adoption.
 - f) Current employee, spouse/ same and opposite sex Domestic Partner, and a new dependent. A current employee, the employee's spouse/ same and opposite sex Domestic Partner, and the employee's dependent are described in this paragraph if the dependent becomes a dependent of the employee through marriage, birth, adoption, or placement for adoption.
- c. Special enrollment regarding Medicaid and Children's Health Insurance Program (CHIP) termination or eligibility:

CareFirst will permit an employee or dependent who is eligible for coverage, but not enrolled, to enroll for coverage under the terms of this Evidence of Coverage, if either of the following conditions is met:

- 1) Termination of Medicaid or CHIP coverage. The employee or dependent is covered under a Medicaid plan under Title XIX of the Social Security Act or under a state child health plan under Title XXI of such Act and coverage of the employee or dependent under such a plan is terminated as a result of loss of eligibility for such coverage.
- 2) Eligibility for employment assistance under Medicaid or CHIP. The employee or dependent becomes eligible for premium assistance, with respect to coverage under this Evidence of Coverage, under Medicaid or a state child health plan (including under any waiver or demonstration project conducted under or in relation to such a plan).

MEDICAL CHILD SUPPORT ORDERS

A. Definitions

1. Medical Child Support Order (MCSO) means an “order” issued in the format prescribed by federal law; and issued by an appropriate child support enforcement agency to enforce the health insurance coverage provisions of a child support order. An “order” means a judgment, decree or a ruling (including approval of a settlement agreement) that:
 - a. Is issued by a court or administrative child support enforcement agency of any state or the District of Columbia.
 - b. Creates or recognizes the right of a child to receive benefits under a parent’s health insurance coverage; or establishes a parent’s obligation to pay child support and provide health insurance coverage for a child.
2. Qualified Medical Support Order (QMSO) means a MCSO issued under State law, or the laws of the District of Columbia and, when issued to an employer sponsored health plan, one that complies with Section 609(a) of the Employee Retirement Income Security Act of 1974, as amended.

B. Eligibility and Termination

1. Upon receipt of an MCSO/QMSO, when coverage of the Subscriber's family members is available under this Evidence of Coverage, CareFirst will accept enrollment of the child subject to the MCSO/QMSO submitted by the Subscriber, regardless of enrollment period restrictions. If the Subscriber does not enroll the child, CareFirst will accept enrollment from the non-Subscriber custodial parent, or the appropriate child support enforcement agency of any state or the District of Columbia. If the Subscriber has not completed an applicable Waiting Period for coverage, the child subject to the MCSO/QMSO will not be enrolled until the end of the Waiting Period.

The Subscriber must be enrolled under this Group Contract in order for the child to be enrolled. If the Subscriber is not enrolled when CareFirst receives the MCSO/QMSO, CareFirst will enroll both the Subscriber and the child, without regard to enrollment period restrictions. The Effective Date will be that stated in the Eligibility Schedule for a newly eligible Subscriber and a newly eligible Dependent child.

2. Enrollment for such a child will not be denied because the child:
 - a. Was born out of wedlock;
 - b. Is not claimed as a dependent on the Subscriber's federal tax return;
 - c. Does not reside with the Subscriber;
 - d. Is covered under any Medical Assistance or Medicaid program; or
 - e. Does not reside in the Service Area.
3. Termination. Unless coverage is terminated for non-payment of the premium, a covered child subject to an MCSO/QMSO may not be terminated unless written evidence is provided to CareFirst that:
 - a. The MCSO/QMSO is no longer in effect;

- b. The child has been or will be enrolled under other comparable health insurance coverage that will take effect not later than the effective date of the termination of coverage;
- c. The Group has eliminated family member's coverage for all its employees; or
- d. The employer no longer employs the Subscriber, except if the Subscriber elects continuation under applicable state or federal law, the child will continue in this post-employment coverage.

C. **Administration**

When the child subject to an MCSO/QMSO does not reside with the Subscriber, CareFirst will:

- 1. Send the non-insuring custodial parent ID cards, claims forms, the applicable evidence of coverage or member contract and any information needed to obtain benefits;
- 2. Allow the non-insuring custodial parent or a Health Care Provider of a Covered Service to submit a claim without the approval of the Subscriber;
- 3. Provide benefits directly to:
 - a. The non-insuring parent;
 - b. The Health Care Provider of the Covered Services; or
 - c. The appropriate child support enforcement agency of any state or the District of Columbia.

TERMINATION OF COVERAGE

A. **Disenrollment of Individual Members**

The Group has the sole and complete authority to make determinations regarding eligibility and termination of coverage in the Plan.

The Group Health Plan will not rescind coverage under the Plan with respect to an individual (including a group to which the individual belongs or family coverage in which the individual is included) once the individual is covered under the Plan, unless the individual (or a person seeking coverage on behalf of the individual) performs an act, practice, or omission that constitutes fraud, or unless the individual makes an intentional misrepresentation of material fact, as prohibited by the terms of the Plan. The Group Health Plan will provide at least thirty (30) days advance written notice to each participant who would be affected before coverage is rescinded regardless of whether the Rescission applies to an entire group or only to an individual within the group.

Coverage of individual Members will terminate on the date stated in the Eligibility Schedule for the following reasons:

1. CareFirst may terminate a Member's coverage for nonpayment of charges when due, by the Group.
2. The Group is required to terminate a Member's coverage if the individual (or a person seeking coverage on behalf of the individual) performs an act, practice, or omission that constitutes fraud, or if the individual makes an intentional misrepresentation of material fact, as prohibited by the terms of the Plan.
3. The Group is required to terminate the Subscriber's coverage and the coverage of the Dependents, if applicable, if the Subscriber no longer meets the Group's eligibility requirements for coverage.
4. The Group is required to terminate a Member's coverage if the Member no longer meets the Group's eligibility requirements for coverage.
5. The Group is required to notify the Subscriber if a Member's coverage is cancelled. If the Group does not notify the Subscriber, this will not continue the Member's coverage beyond the termination date of coverage. The Member's coverage will terminate on the termination date set forth in the Eligibility Schedule.
6. Except in the case of a Dependent child enrolled pursuant to an MCSO or QMSO, coverage of any Dependents, if Dependent coverage is available, will terminate if the Subscriber changes the Type of Coverage to an Individual or other non-family contract.

B. **Death of a Subscriber**

If Dependent coverage is available, in the event of the Subscriber's death, coverage of any Dependents will continue under the Subscriber's enrollment as stated in the Eligibility Schedule under termination of coverage Death of a Subscriber.

C. **Effect of Termination**

Except as provided under the Extension of Benefits for Inpatient or Totally Disabled Individuals provision, no benefits will be provided for any services received on or after the date on which the Member's coverage under this Evidence of Coverage terminates. This includes services received for an injury or illness that occurred before the effective date of termination.

D. **Reinstatement**

Coverage will not reinstate automatically under any circumstances.

CONTINUATION OF COVERAGE

A. Continuation of Eligibility upon Loss of Group Coverage

1. Federal Continuation of Coverage under COBRA

If the Group health benefit Plan provided under this Evidence of Coverage is subject to the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended from time to time, and a Member's coverage terminates due to a "Qualifying Event" as described under COBRA, continuation of participation in this Group health benefit Plan may be possible. The employer offering this Group health benefit Plan is the Plan Administrator. It is the Plan Administrator's responsibility to notify a Member concerning terms, conditions and rights under COBRA. If a Member has any questions regarding COBRA, the Member should contact the Plan Administrator.

2. Uniformed Services Employment and Reemployment Rights Act (USERRA)

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services and applicants to the uniformed services.

If a Member leaves their job to perform military service, the Member has the right to elect to continue their Group coverage including any Dependents for up to twenty-four (24) months while in the military. Even if continuation of coverage was not elected during the Member's military service, the Member has the right to be reinstated in their Group coverage when reemployed, without any Waiting Periods or pre-existing condition exclusions except for service-connected illnesses or injuries. If a Member has any questions regarding USERRA, the Member should contact the Plan Administrator.

B. Extension of Benefits for Inpatient or Totally Disabled Individuals

This section applies to hospital, medical or surgical benefits. During an extension period required under this section, a premium may not be charged. Benefits will cease as of 11:59 p.m., Eastern Standard Time, on the Subscriber's termination date unless:

1. If a Member is Totally Disabled when his/her coverage terminates, CareFirst shall continue to pay covered benefits, in accordance with the Evidence of Coverage in effect at the time the Member's coverage terminates, for expenses incurred by the Member for the condition causing the disability until the earlier of:

- a. The date the Member ceases to be Totally Disabled; or
- b. Twelve (12) months after the date coverage terminates.

2. Definitions

For the purpose of the Extension of Benefits for Inpatient or Totally Disabled Individuals section, the following terms are defined. The definitions of other capitalized terms are found in the definitions sections throughout this Evidence of Coverage.

Same Age Group means within the age group including persons three years older and younger than the age of the person claiming eligibility as Totally Disabled.

Substantial Gainful Activity means the undertaking of any significant physical or mental activity that is done (or intended) for pay or profit.

Totally Disabled (or Total Disability) means a condition of physical or mental incapacity of such severity that an individual, considering age, education, and work experience, cannot engage in any kind of Substantial Gainful Activity or engage in the normal activities as a person of the Same Age Group. A physical or mental incapacity is

incapacity that results from anatomical, physiological, or psychological abnormality or condition, which is demonstrable by medically accepted clinical and laboratory diagnostic techniques. CareFirst reserves the right to determine whether a Member is and continues to be Totally Disabled.

3. If a Member is confined in a hospital on the date that the Member's coverage terminates, CareFirst shall continue to pay covered benefits, in accordance with the Evidence of Coverage in effect at the time the Member's coverage terminates, for the confinement until the earlier of:
 - a. The date the Member is discharged from the hospital; or
 - b. Twelve (12) months after the date coverage terminates.

If the Member is Totally Disabled upon his/her discharge from the hospital, the extension of benefits described in paragraph B.1., above applies; however, an additional twelve (12) month extension of benefits is not provided. An individual is entitled to only one (1), twelve (12) month extension, not an inpatient twelve (12) month extension and an additional Totally Disabled twelve (12) month extension.

4. This section does not apply if:
 - a. Coverage is terminated because an individual fails to pay a required premium;
 - b. Coverage is terminated for fraud or material misrepresentation by the individual.

COORDINATION OF BENEFITS; SUBROGATION

A. Coordination of Benefits

1. Applicability

- a. This Coordination of Benefits (COB) provision applies to this CareFirst Plan when a Member has health care coverage under more than one Plan.
- b. If this COB provision applies, the Order of Determination Rules should be looked at first. Those rules determine whether the benefits of this CareFirst Plan are determined before or after those of another Plan. The benefits of this CareFirst Plan:
 - 1) Shall not be reduced when, under the order of determination rules, this CareFirst Plan determines its benefits before another Plan; and
 - 2) May be reduced when, under the order of determination rules, another Plan determines its benefits first. The above reduction is explained in the Effect on the Benefits section of this CareFirst Plan Evidence of Coverage.

2. Definitions

For the purpose of this COB section, the following terms are defined. The definitions of other capitalized terms are found in the definitions section of this Evidence of Coverage.

Allowable Expenses means any health care expense, including deductibles, coinsurance or copayments, that is covered in whole or in part by any of the Plans covering the Member. This means that any expense or portion of an expense that is not covered by any of the Plans is not an Allowable Expense. If this CareFirst Plan is advised by a Member that all Plans covering the Member are high-deductible health plans and the Member intends to contribute to a health savings account, the primary Plan's deductible is not an Allowable Expense, except for any health care expense incurred that may not be subject to the deductible, as stated in section 223(c)(2)(C) of the Internal Revenue Code of 1986.

CareFirst Plan means this Evidence of Coverage.

Intensive Care Policy means a health insurance policy that provides benefits only when treatment is received in that specifically designated health care facility of a hospital that provides the highest level of care and which is restricted to those patients who are physically, critically ill or injured.

Plan means any health insurance policy, including those of nonprofit health service Plan and those of commercial group, blanket, and individual policies, any subscriber contracts issued by health maintenance organizations, and any other established programs under which the insured may make a claim. The term Plan includes coverage required or provided by law or coverage under a governmental Plan, except a governmental plan which, by law, provides benefits that are in excess of those of any private insurance plan or other non-governmental plan. This does not include a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance Programs, of the United States Social Security Act, as amended from time to time).

The term Plan does not include:

- a. An individually underwritten and issued, guaranteed renewable, specified disease policy, or specified accident policy;

- b. An intensive care policy, which does not provide benefits on an expense incurred basis;
- c. Coverage regulated by a motor vehicle reparation law;
- d. Any hospital indemnity or other fixed indemnity coverage contract;
- e. An elementary and/or secondary school insurance program sponsored by a school or school system and any school accident-type coverage that covers for accidents only, including athletics injuries;
- f. Medicare supplemental policies;
- g. Limited benefit health coverage as defined by state law;
- h. Long-term care insurance policies for non-medical services;
- i. Personal Injury Protection (PIP) benefits under a motor vehicle liability insurance policy.
- j. A state plan under Medicaid; or
- k. A governmental plan, which, by law, provides benefits that are in excess of those of any private insurance plan or other non-governmental plan.

Primary Plan or Secondary Plan means the order of benefit determination rules stating whether this CareFirst Plan is a Primary Plan or Secondary Plan as to another Plan covering the Member.

- a. When this CareFirst Plan is a Primary Plan, its benefits are determined before those of the other Plan and without considering the other Plan's benefits.
- b. When this CareFirst Plan is a Secondary Plan, its benefits are determined after those of the other Plan and may be reduced because of the other Plan's benefits.
- c. When there are more than two Plans covering the Member, this CareFirst Plan may be a Primary Plan as to one of the other Plans, and may be a Secondary Plan as to a different Plan or Plans.

Specified Disease Policy means a health insurance policy that provides (1) benefits only for a disease or diseases specified in the policy or for the treatment unique to a specific disease; or (2) additional benefits for a disease or diseases specified in the policy or for treatment unique to a specified disease or diseases.

3. **Order of Benefit Determination Rules**

- a. **General**
When there is a basis for a claim under this CareFirst Plan and another Plan, this CareFirst Plan is a Secondary Plan which has its benefits determined after those of the other Plan, unless:
 - 1) The other Plan has rules coordinating benefits with those of this CareFirst Plan; and
 - 2) Both those rules and this CareFirst Plan's rules require that this CareFirst Plan's benefits be determined before those of the other Plan.

b. **Rules**

This CareFirst Plan determines its order of benefits using the first of the following rules which applies:

- 1) Non-dependent/dependent. The benefits of the Plan which covers the person as an employee, member or subscriber (that is, other than as a dependent) are determined before those of the Plan which covers the person as a dependent; except that if the person is also a Medicare beneficiary, and the result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is:
 - a) Secondary to the Plan covering the person as a dependent; and
 - b) Primary to the Plan covering the person as other than a dependent (e.g., retired employee),

Then the benefits of the Plan covering the person as a dependent are determined before those of the Plan covering the person as other than a dependent.

- 2) Dependent child covered by more than one Plan. Unless there is a court decree stating otherwise, when this CareFirst Plan and another Plan cover the same child as a dependent, the order of benefits shall be determined as follows:
 - a) For a dependent child whose parents are married or are living together:
 - (1) The benefits of the Plan of the parent whose birthday falls earlier in a year are determined before those of the Plan of the parent whose birthday falls later in the year; but
 - (2) If both parents have the same birthday, the benefits of the Plan that covered one parent longer are determined before those of the Plan that covered the other parent for a shorter period of time.
 - b) For a dependent child whose parents are separated, divorced, or are not living together:
 - (1) If the specific terms of a court decree state that one of the parents is responsible for the health care expenses or health care coverage of the child, and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, the benefits of that Plan are determined first. If the parent with responsibility has no health care coverage for the dependent child's health care expenses, but the parent's spouse does, that parent's spouse's plan is the primary plan. This paragraph does not apply with respect to any claim for services rendered before the entity has actual knowledge of the terms of the court decree.

The rule described in 3.b.2)a) above also shall apply if: i) a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, or ii) a

court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or coverage of the dependent child.

(2) If there is no court decree setting out the responsibility for the child's health care expenses or health care coverage, the order of benefits for the dependent child are as follows:

- (a) The Plan of the parent with custody of the child;
- (b) The Plan of the spouse of the parent with the custody of the child;
- (c) The Plan of the parent not having custody of the child; and then
- (d) The Plan of the spouse of the parent who does not have custody of the child.

c) For a dependent child covered under more than one plan of individuals who are not the parents of the child, the order of benefits shall be determined, as applicable, under the rules stated in 1) and 2) of this paragraph as if those individuals were parents of the child.

3) Active/inactive employee. The benefit of a Plan which covers a person as an employee who is neither laid off nor retired is determined before those of a Plan that covers that person as a laid off or retired employee. The same would hold true if a person is a dependent of a person covered as an employee who is neither laid off nor retired or a person covered as a laid off or retired employee. If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule is ignored.

4) Continuation coverage. If a person whose coverage is provided under the right of continuation pursuant to federal or state law also is covered under another Plan, the following shall be the order of benefits determination:

- a) First, the benefits of a Plan covering the person as an employee, retiree, member or subscriber (or as that person's dependent);
- b) Second, the benefits under the continuation coverage.

If the other Plan does not have the rule described above, and if, as a result, the Plans do not agree on the order of benefits, this rule is ignored.

5) Longer/shorter length of coverage. If none of the above rules determines the order of benefits, the benefits of the Plan that covered the person longer are determined before those of the Plan that covered that person for the shorter term.

4. **Effect on the Benefits of this CareFirst Plan**

a. **When this Section Applies**

This section applies when, in accordance with the prior section, order of benefits determination rules, this CareFirst Plan is a Secondary Plan as to one or more

other Plans. In that event the benefits of this CareFirst Plan may be reduced under this section. Such other Plan or Plans are referred to as "the other Plans" immediately below.

b. Reduction in this CareFirst Plan's Benefits

When this CareFirst Plan is the Secondary Plan, the benefits under this CareFirst Plan *may* be reduced so that the total benefits that would be payable or provided by all the other Plans do not exceed one hundred percent (100%) of the total Allowed Benefit. If the benefits of this CareFirst Plan are reduced, each benefit is reduced in proportion. It is then charged against any applicable benefit limit of this CareFirst Plan.

5. Right to Receive and Release Needed Information

Certain facts are needed to apply these COB rules. CareFirst has the right to decide which facts it needs. It may get the needed facts from or give them to any other organization or person for purposes of treatment, payment, and health care operations. CareFirst need not tell, or get the consent of, any person to do this. Each person claiming benefits under this CareFirst Plan must give this CareFirst Plan any facts it needs to pay the claim.

6. Facility of Payment

A payment made under another Plan may include an amount that should have been paid under this CareFirst Plan. If it does, this CareFirst Plan may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under this CareFirst Plan. This CareFirst Plan will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means the reasonable cash value of the benefits provided in the form of services.

7. Right of Recovery

If the amount of the payments made by this CareFirst Plan is more than it should have paid under this COB provision, it may recover the excess from one or more of:

- a. The persons it has paid or for whom it has paid;
- b. Insurance companies; or
- c. Other organizations.

The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

B. Employer or Governmental Benefits

Coverage does not include the cost of services or payment for services for any illness, injury, or condition for which, or as a result of which, a Benefit (as defined below) is provided or is required to be provided either:

1. Under any federal, state, county or municipal workers' compensation or employer's liability law or other similar program; or
2. From any federal, state, county or municipal or other government agency, including, in the case of service-connected disabilities, the United States Department of Veterans Affairs, to the extent that benefits are payable by the federal, state, county or municipal or other government agency, but excluding Medicare benefits and Medicaid benefits.

Benefit as used in this provision includes a payment or any other benefit, including amounts received in settlement of a claim for Benefits.

C. Subrogation

1. CareFirst has subrogation and reimbursement rights. Subrogation requires the Member to turn over to CareFirst any rights the Member may have against a third party. A third party is any person, corporation, insurer or other entity that may be liable to a Member for an injury or illness. Subrogation applies to any illness or injury which is:
 - a. Caused by an act or omission of a third party; or
 - b. Covered under a member's uninsured or underinsured policy issued to or otherwise covering the Member; or
 - c. Covered by No Fault Insurance. No Fault Insurance means motor vehicle casualty insurance. This term also refers to motor vehicle insurance issued under any other state or federal legislation of similar purpose. CareFirst will not subrogate a recovery made under Personal Injury Protection policy benefits.
2. If the Member receives or is entitled to receive payment from any person, organization or entity in connection with an injury, illness or need for care for which benefits were provided or will be provided under this Evidence of Coverage, the payment will be treated as having been paid to the Member as a recovery for the medical, hospital and other expenses for which CareFirst provided or will provide benefits. CareFirst may recover the amounts paid in benefits up to the amount received from or on behalf of the third party. CareFirst will not recover from payments made to the Member under the Member's personal injury protection benefits of their motor vehicle insurance policy. CareFirst will not recover medical expenses from a Subscriber unless the Subscriber or Member recovers for medical expenses in a cause of action or settlement.
3. CareFirst's right of recovery is not subject to reduction for attorney's fees and costs under the "common fund" or any other doctrine. CareFirst will reduce the amount owed by the Member to CareFirst in accordance with applicable law.
4. CareFirst will have a lien on all funds the Member recovers up to the total amount of benefits provided. We are entitled under our right of recovery to be reimbursed for our benefit payments even if you are not "made whole" for all of your damages in the recoveries that you receive. CareFirst may give notice of that lien to any party who may have contributed to the Member's loss, or who may be liable for payment as a result of that loss.

For purposes of this provision, "made whole" means that the Member fully recovers all of their damages.
5. CareFirst has the option to be subrogated to the Member's rights to the extent of the benefits provided under this Evidence of Coverage. This includes CareFirst right to bring suit or file claims against the third party in the Member's name.
6. Members agree to take action, furnish information and assistance, and execute such instruments that CareFirst may require while enforcing CareFirst rights under this Section. The Member agrees to not take any action which prejudices CareFirst's rights and interests under this provision.

HOW THE PLAN WORKS

This health care benefits plan offers a choice of Health Care Providers. Payment depends on the Health Care Provider chosen, as explained below in the “Choosing a Provider” subsection below. Other factors that may affect payment are found in Referrals, Inter-Plan Arrangements Disclosure, COB, Subrogation, Exclusions, and Utilization Management Requirements.

A. **Appropriate Care and Medical Necessity**

CareFirst works to make sure that health care is rendered in the most appropriate setting and in the most appropriate way. While ensuring that the Member receives the best care, this also helps to control health care costs. In order to make sure that the setting and treatment are appropriate, some Covered Services require review before a Member receives care. These services are marked throughout this Evidence of Coverage.

CareFirst will pay a benefit for Covered Services rendered by a Health Care Provider only when Medically Necessary as determined by CareFirst. Benefits are subject to all of the terms, conditions, and maximums, if applicable, as stated in this Evidence of Coverage.

B. **Choosing a Provider**

1. Member/Health Care Provider Relationship

- a. The Member has the exclusive right to choose a Health Care Provider. Whether a Health Care Provider contracts with CareFirst or not relates only to method of payment and does not imply that any Health Care Provider is more or less qualified than another.
- b. CareFirst makes payment for Covered Services but does not provide these services. CareFirst is not liable for any act or omission of any Health Care Provider.

2. Contracted Health Care Providers

- a. If a Member chooses a Contracted Health Care Provider, the cost to the Member is lower than if the Member chooses a Non-Contracted Health Care Provider.
- b. Claims will be submitted directly to CareFirst by the Contracted Health Care Provider.
- c. CareFirst will pay benefits directly to the Contracted Health Care Provider and such payment is accepted as payment in full, except for applicable Member amounts.
- d. The Member is responsible for any applicable Deductible and Coinsurance or Copayment, as stated in the Schedule of Benefits.
- e. Primary Care Provider (PCP)
 - 1) At enrollment, a Member must select a PCP and may select any PCP from CareFirst’s current list of Contracted Health Care Providers. If the PCP is not available, CareFirst will assist the Member in making another selection.
 - 2) Members may change their PCP at any time by notifying the Member Service Representative in writing. If the Member notifies CareFirst by the 20th day of the month, CareFirst will make the change effective the first day of the next month. If the Member notifies CareFirst after the 20th day of the month, CareFirst will make the change effective the first day

of the second month following the notice.

- 3) The Member’s PCP will coordinate routine care and provide treatment for a variety of medical conditions. If more specialized care is required, the Member’s PCP will refer to a Specialist or other Contracted Health Care Provider.

Most services must be rendered or referred by the Member’s PCP to be eligible for coverage, except for (a) Emergency Services and Urgent Care, (b) Covered Services rendered by a Contracted Health Care Provider who is an obstetrician or gynecologist, and (c) mental health and substance abuse disorder services, which must be coordinated through the mental health and substance abuse administrator rather than through the PCP.

3. Non-Contracted Health Care Providers

- a. Claims may be submitted directly to CareFirst or its designee by the Non-Contracted Health Care Provider, or the Member may need to submit the claim. In either case, it is the responsibility of the Member to make sure that proofs of loss are filed on time.
- b. All benefits for Covered Services by Non-Contracted Health Care Providers, if any are available under this Evidence of Coverage, will be payable to the Subscriber, or to the Non-Contracted Health Care Provider, at the discretion of CareFirst.
- c. In the case of a Dependent child enrolled pursuant to a court order, court approved requirement, or a QMSO, payment will be paid directly to the State of Maryland Department of Health or the non-insuring parent if proof is provided that such parent has paid the Non-Contracted Health Care Provider.
- d. The Member is responsible for the difference between CareFirst’s payment and the Non-Contracted Health Care Provider’s charge. If coverage for Non-Contracted Health Care Providers is not available under this Evidence of Coverage, the Member is responsible for the entire cost of the service(s) provided.

4. Ambulance Services Providers

- a. For purposes of calculating the Member payment for Ambulance Covered Services, refer to the quick reference guide below.

Quick Reference Guide	
If a Member receives Covered Services from:	Member liability:
Contracted Ambulance Services Provider	No balance billing permitted: The Member is responsible for any applicable Deductible, Copayment, and Coinsurance amounts stated in the Schedule of Benefits.
Non-Contracted Ambulance Services Provider	Balance billing permitted: The Member is responsible for any applicable Deductible, Copayment, and Coinsurance amounts stated in the Schedule of Benefits <u>and</u> for the difference between the Allowed Benefit and the Non-Contracted Ambulance Services Provider’s actual charge.

- b. If a Member receives services from a Contracted Provider, the cost to the Member is lower than if the Member receives services from a Non-Contracted Provider.

C. **Notice of Claim**

A Member may request a claim form by writing or calling CareFirst. CareFirst does not require written notice of a claim.

D. **Claim Forms**

CareFirst provides claim forms for filing proof of loss. If CareFirst does not provide the claim forms within 15 days after notice of claim is received, the Member is considered to have complied with the requirements of this Evidence of Coverage as to proof of loss if the Member submits, within the time fixed in this Evidence of Coverage for filing proof of loss, written proof of the occurrence, character, and extent of the loss for which the claim is made.

E. **Proofs of Loss**

In order to receive benefits for services rendered by a Health Care Provider who does **not** contract with CareFirst, a Member must submit written proof of loss to CareFirst or its designee within the deadlines described below.

1. Claims for medical benefits must be submitted within twelve (12) months following the dates services were rendered.
2. Claims for “Vision Care Benefits: Routine Vision Exam” must be submitted within twelve (12) months following the dates services were rendered.

A Member’s failure to furnish the proof of loss within the time required does not invalidate or reduce a claim if it was not reasonably possible to submit the proof within the required time, if the proof is furnished as soon as reasonably possible, and except in the absence of legal capacity of the member, not later than one year from the time proof is otherwise required.

CareFirst will honor claims submitted for Covered Services by any agency of the federal, state or local government that has the statutory authority to submit claims beyond the time limits established under this Evidence of Coverage. These claims must be submitted to CareFirst before the filing deadline established by the applicable statute on claims forms that provide all of the information CareFirst deems necessary to process the claim. CareFirst provides forms for this purpose.

F. **Time of Payment of Claims**

Benefits payable under this Evidence of Coverage will be paid not more than thirty (30) days after receipt of written proof of loss.

G. **Claim Payments Made in Error**

If CareFirst makes a claim payment to or on behalf of a Member in error, the Member is required to repay CareFirst the amount that was paid in error. If the Member has not repaid the full amount owed CareFirst and CareFirst makes a subsequent benefit payment, CareFirst may subtract the amount owed CareFirst from the subsequent payment.

H. **Assignment of Benefits**

A Member may not assign his or her right to receive benefits or benefit payments under this Evidence of Coverage to another person or entity except for routine assignment of benefit payments to a Contracted Health Care Provider rendering Covered Services.

I. **Evidence of Coverage**

Unless CareFirst makes delivery directly to the Subscriber, CareFirst will provide the Group, for delivery to each Subscriber, a statement that summarizes the essential features of the coverage of the Subscriber and that indicates to whom benefits are payable. Only one statement will be issued for each family unit.

- J. **Notices**
Notice to Members will be sent via electronic mail, if the Member has consented to receive such notices via electronic mail or by first class mail to the most recent address for the Member in CareFirst's files. The notice will be effective on the date mailed, whether or not the Member in fact receives the notice or there is a delay in receiving the notice. It is the Subscriber's responsibility to notify the Group, and the Group's responsibility to notify CareFirst of an address change.
- K. **Privacy Statement**
CareFirst shall comply with state, federal and local laws pertaining to the dissemination or distribution of non-public personally identifiable medical or health-related data. In that regard, CareFirst will not provide to the plan sponsor named herein or unauthorized third parties any personally identifiable medical information without the prior written authorization of the patient or parent/guardian of the patient or as otherwise permitted by law.
- L. **Prescription Drug Rebate Sharing**
CareFirst may be eligible for rebates from Prescription drug manufacturers upon negotiating directly with manufacturers.

CareFirst and the Plan Sponsor, as such is defined in the Administrative Services Agreement, agree to the extent to which any such rebates are shared.
- M. **Away From Home Program**
If a Member temporarily resides out of the Service Area, the Member may be able to take advantage of the Away From Home Program. This Program may allow a Member who resides out of the Service Area for an extended period of time to utilize the benefits of an affiliated Blue Cross and Blue Shield plan. This Program is not coordination of benefits. **A Member who takes advantage of the Away From Home Program will be subject to the rules, regulations and plan benefits of the affiliated Blue Cross and Blue Shield plan.** If the Member makes a permanent move, he/she does not have to wait until the Open Enrollment Period, determined by the Group to change plans. Members can receive more information about the Away From Home Program by calling the phone number found on the back of the Member identification card or visiting www.carefirst.com.

REFERRALS

Referral Requirements

- A. Except as stated in the Gender Reassignment Services subsection of the Description of Covered Services and as stated below, benefits for Covered Services rendered by Contracted Health Care Providers other than the PCP are only provided when prior written referral by a PCP is obtained for the specified Covered Service.
- B. Exceptions to Requirement for PCP Referral
A Member may self-refer to Contracted Health Care Providers for:
1. Except for infertility services, covered gynecological and obstetric services from a Contracted Health Care Provider certified nurse midwife or Contracted Health Care Provider Obstetrician/Gynecologist.
 2. Covered Services rendered at Contracted Health Care Provider radiologist offices whether ordered by a Contracted Health Care Provider or Non-Contracted Health Care Provider.
 3. Covered Services rendered by a Contracted Health Care Provider laboratory whether ordered by a Contracted Health Care Provider or a Non-Contracted Health Care Provider.
 4. Emergency Services.
 5. Covered Services that are directly related to a diagnosis of cancer, including, but not limited to, office visits and care by an oncologist, chemotherapy, and radiation therapy by Contracted Health Care Providers without a referral by the Member's PCP. Benefits are subject to review and approval under utilization management requirements established by CareFirst. Contracted Health Care Providers will handle utilization management procedures on behalf of the Member.
 6. Covered Services rendered by a Contracted Health Care Provider ophthalmologist.
 7. Mental health and substance abuse services which must be coordinated through the mental health and substance abuse administrator
 8. Routine eye exams provided by a Contracted Health Care Provider optometrist or vision center.

CareFirst reserves the right to make changes to the categories of providers or services that do not require a Primary Care Physician referral. Notice of such changes will be provided to the Member.

C. Standing or Condition Management Referral to a Specialist

1. Definitions

- a. Condition Management Referral means a referral that allows a Contracted Health Care Provider Specialist to act as a PCP, solely for the condition for which the Member was referred and only for the authorized treatment period.

The Contracted Health Care Provider Specialist shall be permitted to provide and coordinate the primary and specialty care for the Member's condition and includes authorizing such referrals, procedures, tests, and other medical services as the Member's PCP would otherwise be permitted to provide or authorize.

- b. Standing Referral means a referral to a Contracted Health Care Provider Specialist that does not have a specified treatment period. The referral is subject to periodic review by the PCP and CareFirst to determine whether the Standing Referral continues to be Medically Necessary.
 - c. Specialist, as used in this section, means a physician who is certified or eligible for certification by the appropriate specialty board; and trained in practice in a specified field of medicine.
2. Condition Management Referral or Standing Referral to a Specialist
- a. A Member may request a Condition Management Referral or a Standing Referral from the PCP to a Contracted Health Care Provider Specialist for a condition that:
 - 1) Is life threatening, degenerative, chronic or disabling; or
 - 2) Requires a Specialist over a prolonged period of time.
 - b. Upon request for a referral, the PCP will contact CareFirst to obtain authorization.
3. Standing Referral for Cancer Patients
- a. A Member who has been diagnosed with cancer may request a Standing Referral from their PCP to a:
 - 1) Contracted Health Care Provider who is a board-certified physician in pain management; or
 - 2) Contracted Health Care Provider who is an oncologist.
 - b. A Standing Referral does not authorize the Contracted Health Care Provider to assume the responsibilities for care other than cancer care and pain management. The referral is subject to periodic review by the PCP and CareFirst BlueChoice.
4. Standing Referral for Pregnancy
- 1. A Member who is pregnant may obtain a standing referral to an obstetrician.
 - 2. After the Member who is pregnant receives a standing referral to an obstetrician, the obstetrician is responsible for the primary management of the Member's pregnancy, including the issuance of referrals in accordance with CareFirst's policies and procedures, through the postpartum period.

D. Referrals Quick Reference

For Covered Services (except services provided by the Member's PCP, or those listed as an exception to requirement for PCP referral, above):				
If a Member sees a:	With PCP referral:		Without PCP referral:	
	Services will be covered at:	Member liability:	Services will be covered at:	Member liability:
Contracted Health Care Provider	Covered Services will be paid up to the Allowed Benefit stated in the Schedule of Benefits.	No balance billing permitted: The Member is responsible for any applicable Deductible, Copayment, and Coinsurance amounts stated in the Schedule of Benefits.	No benefits will be provided.	The Member is fully responsible for the Health Care Provider's actual charge.
Non-Contracted Health Care Provider	Covered Services will be paid up to the Allowed Benefit stated in the Schedule of Benefits.	Balance billing permitted: The Member is responsible for any applicable Deductible, Copayment, and Coinsurance amounts stated in the Schedule of Benefits <u>and</u> for the difference between the Allowed Benefit and the Non-contracted Health Provider's actual charge.	No benefits will be provided.	The Member is fully responsible for the Non-Contracted Health Care Provider's actual charge.

This Referrals Quick Reference guide is subject to the terms stated in the Referral to a Specialist or Non-Physician Specialist section, above.

E. Continuing Care with Terminated Providers

1. When a Contracted Health Care Provider terminates their agreement with CareFirst, for any reason except for cause, benefits will be provided for continuing care rendered by the terminated provider as described in this section. CareFirst will send a notice to the Member that the Contracted Health Care Provider is no longer available.
2. The Member may, upon request, continue to receive Covered Services from his/her Primary Care Physician for up to ninety (90) days after the date of the notice of the Primary Care Physician's termination from CareFirst's provider panel, if termination was for reasons unrelated to fraud, patient abuse, incompetence, or loss of licensure status. In addition, a Member may continue treatment with a terminated provider if:
 - a. A Member was in an active course of treatment with the terminated Contracted Health Care Provider prior to the date the Member was notified. The Member needs to request, from CareFirst, to continue receiving care from the terminated Contracted Health Care Provider. Benefits will be provided for a period of ninety (90) days from the date the Member is notified by CareFirst that the terminated Contracted Health Care Provider is no longer available.

- b. A Member who has entered her second trimester of pregnancy may continue to receive Covered Services from the terminated Contracted Health Care Provider through postpartum care directly related to the delivery.
 - c. A Member that was terminally ill (as defined by § 1861(dd)(3)(A) of the Social Security Act) at the time the Contracted Health Care Provider's agreement terminated may continue to receive Covered Services directly related to the treatment of the terminal illness until the Member dies.
- 3. The Member payment to the provider will be at the same level as the Member's payment prior to the provider's termination.

UTILIZATION MANAGEMENT REQUIREMENTS

For Covered Services provided by a Contracting Provider, Utilization Management requirements will be handled on behalf of the Member by the treating Contracting Provider. If the Contracting Providers fail to obtain prior authorization, the Member shall be held harmless

Most Prescription Drugs classified as Specialty Drugs require prior authorization; prior authorization applies to Specialty Drugs covered under the medical portion of this Evidence of Coverage (i.e., Specialty Drugs administered in outpatient facilities, home, or office settings). Specialty Drugs are defined in the Definitions section of this Evidence of Coverage. The Member's PCP or other Contracted Health Care Providers will obtain prior authorization from CareFirst on behalf of the Member. Covered Ancillary Services that use Specialty Drugs which require prior authorization do not require an additional prior authorization/a Plan of Treatment. Failure to obtain prior authorization may result in denial of the claim.

A. Plan of Treatment

Certain outpatient services indicated throughout this Evidence of Coverage require CareFirst's approval of a Plan of Treatment before benefits for Covered Services are provided; a penalty may apply if such approval is not obtained.

1. A health care practitioner must complete and submit a Plan of Treatment.
2. CareFirst must approve the Plan of Treatment before benefits for treatment can begin or continue.
3. Approval for coverage of any service is based on Medical Necessity as determined by CareFirst.
4. Within the Service Area, a Contracted Health Care Provider will complete and submit a Plan of Treatment.
5. Services for which CareFirst must approve a Plan of Treatment:

a. Applied Behavioral Analysis (ABA)

CareFirst must approve the Plan of Treatment after the first (1st) visit (hereafter, referred to as the "Initial Visit(s)").

If a Member requires additional treatment after the initial Plan of Treatment is completed, a subsequent Plan of Treatment is required **prior** to the first visit. That is, the Initial Visit(s) exemption from the Plan of Treatment requirement stated above, is only available once per lifetime, per Member, while covered by CareFirst.

If the Plan of Treatment is not submitted, benefits will be denied.

If the Plan of Treatment is submitted late, the same level of benefits will be provided for Covered Services upon CareFirst's approval of the Plan of Treatment, as if the Plan of Treatment had been submitted on time.

b. General anesthesia and associated hospital or ambulatory facility charges in conjunction with dental care

If the Plan of Treatment is not submitted, benefits will be denied.

If the Plan of Treatment is submitted late, the same level of benefits will be provided for Covered Services upon CareFirst's approval of the Plan of Treatment, as if the Plan of Treatment had been submitted on time.

c. Habilitative Services

CareFirst must approve the Plan of Treatment after the first (1st) visit (hereafter, referred to as the “Initial Visit(s)”).

If a Member requires additional treatment after the initial Plan of Treatment is completed, a subsequent Plan of Treatment is required **prior** to the first visit. That is, the Initial Visit(s) exemption from the Plan of Treatment requirement stated above, is only available once per lifetime, per Member, while covered by CareFirst.

If the Plan of Treatment is not submitted, benefits will be denied.

If the Plan of Treatment is submitted late, the same level of benefits will be provided for Covered Services upon CareFirst’s approval of the Plan of Treatment, as if the Plan of Treatment had been submitted on time.

d. Home Health Care

If the Plan of Treatment is not submitted, benefits will be denied.

If the Plan of Treatment is submitted late (forty-eight (48) hours after commencing Home Health Care), the same level of benefits will be provided for Covered Services upon CareFirst’s approval of the Plan of Treatment, as if the Plan of Treatment had been submitted on time.

e. Hospice Care

If the Plan of Treatment is not submitted, benefits will be denied.

If the Plan of Treatment is submitted after commencing hospice care, the same level of benefits will be provided for Covered Services upon CareFirst’s approval of the Plan of Treatment, as if the Plan of Treatment had been submitted on time.

f. Infertility Services: Artificial Insemination

If the Plan of Treatment is not submitted, benefits will be denied.

If the Plan of Treatment is submitted after commencing Infertility services, the same level of benefits will be provided for Covered Services upon CareFirst’s approval of the Plan of Treatment, as if the Plan of Treatment had been submitted on time.

g. Infertility Services: In-Vitro Fertilization

If the Plan of Treatment is not submitted, benefits will be denied.

If the Plan of Treatment is submitted after commencing Infertility services, the same level of benefits will be provided for Covered Services upon CareFirst’s approval of the Plan of Treatment, as if the Plan of Treatment had been submitted on time.

B. Hospital Pre-Certification and Review

A Contracted Health Care Provider will obtain Hospital Pre-Certification and Review.

1. Hospital Pre-Certification and Review Process

- a. CareFirst may perform the review or may appoint a review agent. The telephone number for obtaining review is printed on the back of the membership card.
- b. The reviewer will screen the available medical documentation for the purpose of determining the Medical Necessity of the admission, length of stay, appropriateness of setting and cost effectiveness and will evaluate the need for discharge planning.
- c. Procedures which are normally performed on an outpatient basis will not be approved to be performed on an inpatient basis, unless unusual medical conditions are found through Hospital Pre-Certification and Review.
- d. Pre-operative days will not be approved for procedures unless Medically Necessary.
- e. The reviewer will assign the number of days certified based on the clinical condition of the Member and notify the Health Care Provider of the number of days approved.
- f. CareFirst's payment will be based on the inpatient days approved by the reviewer.
- g. CareFirst will provide outpatient benefits for Medically Necessary Covered Services when the reviewer does not approve services on an inpatient basis.
- h. Hospital Pre-Certification and Review is not applicable to maternity admissions, and admissions for cornea and kidney transplants.

2. Non-Emergency (Elective) Admissions

- a. The Member must provide any written information requested by the reviewer for Hospital Pre-Certification and Review of the admission at least twenty-four (24) hours prior to the admission.
- b. The reviewer will make all initial determinations on whether to approve an elective admission within two working days of receipt of the information necessary to make the determination and shall promptly notify the attending Health Care Provider and Member of the determination.
- c. CareFirst will not provide benefits for an elective admission which is not Medically Necessary. The Member is responsible for the entire admission.

3. Emergency (Non-Elective) Admissions

- a. The Member, the Health Care Provider or another person acting on behalf of the Member must notify the reviewer within twenty-four (24) hours following the Member's admission, or as soon thereafter as reasonably possible.

The reviewer may not render an Adverse Decision or deny coverage for Medically Necessary Covered Services solely because the hospital did not notify the reviewer of the emergency admission within twenty-four (24) hours if the Member's medical condition prevented the hospital from determining:

- 1) The Member's insurance status; and
 - 2) The reviewer's emergency admission notification requirements.
- b. For an involuntary or voluntary inpatient admission of a Member determined by the Member's physician or psychologist, in conjunction with a member of the medical staff of the hospital who has privileges to admit patients to be in imminent danger to self or others, the reviewer may not render an Adverse Decision as to the Member's admission:
- 1) During the first twenty-four (24) hours the Member is in an inpatient facility; or
 - 2) Until the reviewer's next business day, whichever is later.

The hospital shall immediately notify the reviewer that a Member has been admitted and shall state the reasons for the admission.

- c. The reviewer will make all initial determinations on whether to approve a non-elective admission within one working day of receipt of the information necessary to make the determination and shall promptly notify the attending Health Care Provider of the determination.

For non-elective admissions for which the reviewer receives notice but does not approve inpatient benefits, CareFirst will notify the hospital attending Health Care Provider that inpatient benefits will not be paid as of the date of notification.

- 1) A Member will have to pay:
 - a) All charges for any care received as of the date the Member receives notice by the hospital attending Health Care Provider, or CareFirst that further care is not Medically Necessary if the Member continues the inpatient stay.
 - b) Non-Contracted Health Care Providers if a non-elective admission results in payment denial.
- 2) A Member will not have to pay Contracted Providers:
 - a) If the Member is admitted and the admission is not Medically Necessary;
 - b) If a non-elective admission results in payment denial.

4. Continued Stay Review
The reviewer will make all determinations on whether to approve continuation of an admission within one working day of receipt of the information necessary to make the determination and shall promptly notify the attending Health Care Provider of the determination.
5. Discharge Planning
The reviewer will coordinate referrals for discharge planning activities if, in the discretion of the reviewer, a need for such coordination is indicated.
6. Program Monitoring
 - a. The Member's medical record will be reviewed by the reviewer.

- b. The hospital may be requested to evaluate the medical records and respond to the reviewer if there is a delay in which care is not provided when ordered or otherwise requested by a Health Care Provider in a timely fashion or other delay.
 - c. During and after discharge, the reviewer may review the medical records to:
 - 1) Verify that the services are covered under the Evidence of Coverage;
 - 2) Ensure that the Health Care Provider is substantially following the Plan of Treatment.
7. Notice and Appeals
- a. Written notice of any Adverse Decision is sent to the Health Care Providers and Member.
 - b. The Member or the Health Care Providers have the right to appeal Adverse Decisions in writing to CareFirst.
 - 1) If the attending Health Care Provider believes the Adverse Decision warrants immediate reconsideration, the reviewer will afford the Health Care Provider the opportunity to seek a reconsideration of the Adverse Decision by telephone within 24 hours of the Health Care Provider's request.
 - 2) For instructions on how to appeal an Adverse Decision, refer to the Claims Procedures of this Evidence of Coverage.

INTER-PLAN ARRANGEMENTS DISCLOSURE

Out-of-Area Services

Overview

CareFirst BlueCross BlueShield has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as “Inter-Plan Programs.” These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association (“Association”). Whenever Members access healthcare services outside the geographic area CareFirst serves, the claim for those services may be processed through one of these Inter-Plan. The Inter-Plan Programs are described generally below.

When a Member receives care outside of CareFirst’s service area, it will be received from one of two kinds of providers. Most providers (“participating providers”) contract with the local Blue Cross and/or Blue Shield Licensee in that geographic area (“Host Blue”). Some providers (“nonparticipating providers”) don’t contract with the Host Blue. CareFirst explains below how CareFirst pays both kinds of providers.

Some CareFirst products limit in-network benefits to certain services and/or cover only limited healthcare services received outside of CareFirst’s service area, e.g., Emergency Services. If applicable, any difference between benefits for care received in CareFirst’s service area and care received outside the geographic area CareFirst serves is stated in the Definitions.

Inter-Plan Arrangements Eligibility – Claim Types

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all Dental Care Benefits, and those Prescription Drug Benefits or Vision Care Benefits that may be administered by a third party contracted by CareFirst to provide the specific service or services.

A. BlueCard® Program

Under the BlueCard® Program, when a Member receives Covered Services within the geographic area served by a Host Blue, CareFirst will remain responsible for doing what we agreed to in the contract. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating providers.

When a Member receives Covered Services outside CareFirst’s service area and the claim is processed through the BlueCard Program, the amount a Member pays for Covered Services is calculated based on the lower of:

- The billed charges for Covered Services; or
- The negotiated price that the Host Blue makes available to CareFirst.

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Blue pays to the healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with the healthcare provider or provider group that may include types of settlements, incentive payments and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of past pricing of claims, as noted above. However, such adjustments will not affect the price CareFirst has used for a claim because they will not be applied after a claim has already been paid.

B. Negotiated (non-BlueCard Program) Arrangements

With respect to one or more Host Blues, instead of using the BlueCard Program, CareFirst may process claims for Covered Services through Negotiated Arrangements for National Accounts.

The amount a Member pays for Covered Services under this arrangement will be calculated based on the lower of either billed charges for Covered Services or negotiated price (refer to the description of negotiated price under Section A, BlueCard Program) made available to CareFirst by the Host Blue.

If reference-based benefits, which are service-specific benefit dollar limits for specific procedures, based on a Host Blue's local market rates, are made available to a Member, the Member will be responsible for the amount that the healthcare provider bills above the specific reference benefit limit for the given procedure. For a participating provider, that amount will be the difference between the negotiated price and the reference benefit limit. For a nonparticipating provider, that amount will be the difference between the provider's billed charge and the reference benefit limit. Where a reference benefit limit is greater than either a negotiated price or a provider's billed charge, a Member will incur no liability, other than any related Member cost sharing.

C. Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

Federal or state laws or regulations may require a surcharge, tax or other fee that applies to self-funded accounts. If applicable, CareFirst will include any such surcharge, tax or other fee as part of the claim charge passed on to you.

D. Nonparticipating Providers Outside CareFirst's Service Area

1. Member Liability Calculation

When Covered Services are provided outside of CareFirst's service area by nonparticipating providers, the amount a Member pays for such services will normally be based on either the Host Blue's nonparticipating provider local payment or the pricing arrangements required by applicable state law. In these situations, a Member may be responsible for the difference between the amount that the nonparticipating provider bills and the payment CareFirst will make for the Covered Services as set forth in this paragraph. Federal or state law, as applicable, will govern payments for out-of-network emergency services.

2. Exceptions

In certain situations, CareFirst may use other payment methods, such as billed charges for Covered Services, the payment CareFirst would make if the healthcare services had been obtained within CareFirst's service area, or a special negotiated payment to determine the amount CareFirst will pay for services provided by nonparticipating providers. In these situations, the Member may be liable for the difference between the amount that the nonparticipating provider bills and the payment CareFirst will make for the Covered Services as set forth in this paragraph.

E. Blue Cross Blue Shield Global Core® Program

If a Member is outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter "BlueCard service area"), the Member may be able to take advantage of the Global Core Program when accessing Covered Services. Blue Cross Blue Shield Global Core is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although Blue Cross Blue Shield Global Core assists Members with accessing a network of inpatient, outpatient and professional providers, the network is not served by a Host Blue. As such, when Members receive care from providers outside the BlueCard service area, Members

will typically have to pay the providers and submit the claims themselves to obtain reimbursement for these services.

If a Member needs medical assistance services (including locating a doctor or hospital) outside the BlueCard service area, the Member should call the service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

- **Inpatient Services**

In most cases, if a Member contacts the Blue Cross Blue Shield Global Core Service Center for assistance, hospitals will not require the Member to pay for covered inpatient services, except for cost-share amounts. In such cases, the hospital will submit Member claims to the service center to begin claims processing. However, if the Member paid in full at the time of service, the Member must submit a claim to receive reimbursement for Covered Services. **Members must contact CareFirst to obtain precertification for non-emergency inpatient services.**

- **Outpatient Services**

Physicians, urgent care centers and other outpatient providers located outside the BlueCard service area will typically require Members to pay in full at the time of service. Members must submit a claim to obtain reimbursement for Covered Services.

- **Submitting a Blue Cross Blue Shield Global Core Claim**

When Members pay for Covered Services outside the BlueCard service area, the Member must submit a claim to obtain reimbursement. For institutional and professional claims, Members should complete a Blue Cross Blue Shield Global Core claim form and send the claim form with the provider's itemized bill(s) to the service center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of the claim. The claim form is available from CareFirst, the service center or online at www.bcbsglobalcore.com. If Members need assistance with their claim submission, they should call the service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week.

BENEFITS FOR MEMBERS ENTITLED TO MEDICARE (Medicare Complementary)

The provisions in this section apply to Members who are entitled to Part A and/or Part B of Medicare. A Member will not be terminated as a result of reaching the age of sixty-five (65) or becoming eligible for Medicare. Benefits not covered by Medicare will be provided as described in this Evidence of Coverage. Benefits that are covered by Medicare are subject to the provisions in this section.

CareFirst pays only for Covered Services. The Member pays for services, supplies or care which are not covered. The Member pays any applicable Deductible, and Coinsurance or Copayment. The Medicare Part A and Part B deductible and coinsurance is not the same as the Deductible or Coinsurance, defined in Definitions, which may be applied by CareFirst to Covered Services. Services that are not listed in the Description of Covered Services, or are listed in Exclusions, are not Covered Services.

When determining the benefits a Member may receive, CareFirst considers all provisions of this Evidence of Coverage, its medical policies, and its operating procedures; however, the Utilization Management Requirements of this Evidence of Coverage do not apply to persons for whom Medicare is the primary carrier.

Members shall agree to complete and submit to Medicare, CareFirst and/or Health Care Providers contracted with CareFirst, all claims, consents, releases, assignments and other documents required to obtain or assure such payment.

This coverage is not Medicare supplemental coverage. This coverage provides benefits for some charges and services not covered by Medicare. It is not designed to fill the "gaps" of Medicare.

Covered Services under Medicare Complementary are the same as under the Description of Covered Services. Only the manner of payment is different:

- A. Coverage Secondary to Medicare
Except where prohibited by law, CareFirst benefits are secondary to Medicare.
- B. Medicare as Primary
 - 1. When benefits for Covered Services are paid by Medicare as primary, CareFirst will not duplicate those payments. When CareFirst coordinates the benefits with Medicare:
 - a. For any Health Care Provider who accepts Medicare assignment, the combined Medicare payment and CareFirst payment will not exceed the Medicare approved charge.
 - b. For any Health Care Provider who does not accept Medicare assignment, the combined Medicare payment and CareFirst payment will not exceed the limitation set by Medicare.
 - 2. **For a Member who Elects Medicare Part B:** CareFirst will coordinate as described above and pay benefits based on Medicare's payment. For example, after meeting the Part B deductible, Medicare pays 80% of the Medicare approved amount for most doctor services; the basis for CareFirst's payment is the remaining 20% of the Medicare approved amount (the combined Medicare payment and CareFirst payment will not exceed the Medicare approved charge/limitation set by Medicare).

a. Numerical Example for a Member who Elects Medicare Part B:

Numerical example, assuming:	
Part B deductible has been met;	
CareFirst Deductible, if applicable, has been met;	
CareFirst Coinsurance of either 100% or 80%; and	
Medicare approved charge does not exceed limitation set by Medicare, if applicable	
Medicare approved amount	\$ 1,000.00
Multiplied by 80% equals Medicare payment	\$ 800.00
Basis for CareFirst's payment (remaining 20% of the Medicare approved amount)	\$ 200.00
Multiplied by 100% CareFirst Coinsurance equals CareFirst payment of	\$ 200.00
OR multiplied by 80% CareFirst Coinsurance equals CareFirst payment of	\$ 160.00

3. **For a Member who Does not Elect Part B:** CareFirst will reduce its payment to “carve-out” or reject the 80% coinsurance Medicare would have paid if the Member had elected Part B.

- a. If the amount Medicare would have paid is available, CareFirst will coordinate as described above, “carving-out” or rejecting the amount Medicare would have paid. CareFirst will base its reduced Coinsurance payment on the amount Medicare would have paid if the Member had elected Part B.
- b. If the amount Medicare would have paid is not available, CareFirst will base its Coinsurance payment on 20% of the Allowed Benefit. The 80% reduction to the Allowed Benefit represents the amount that Medicare theoretically would have paid if the Member had elected Part B.

c. Numerical Examples for a Member who Does not Elect Part B:

- 1) In the first numeric example below, CareFirst’s Allowed Benefit is assumed to be the same as the Medicare approved amount in the above example for a Member who elects Medicare Part B. In this example, CareFirst’s payment does not differ; however, the Member is liable for the difference between CareFirst’s payment and the Allowed Benefit for a Contracting Provider, and for the difference between CareFirst’s payment and the Health Care Provider’s charge for a Non-Contracting Provider.

Numerical example, assuming:	
the amount Medicare would have paid is not available;	
CareFirst Deductible, if applicable, has been met;	
CareFirst Coinsurance of either 100% or 80%	
CareFirst Allowed Benefit	\$ 1,000.00
Medicare payment	\$ 0.00
Basis for CareFirst's payment is 20% of Allowed Benefit	\$ 200.00
Multiplied by 100% CareFirst Coinsurance equals CareFirst payment of	\$ 200.00
OR multiplied by 80% CareFirst Coinsurance equals CareFirst payment of	\$ 160.00

- 2) In the second numeric example below, CareFirst's Allowed Benefit is assumed to differ from the Medicare approved amount in the above example for a Member who elects Medicare Part B. Again, the Member is liable for the difference between CareFirst's payment and the Allowed Benefit for a Contracting Provider, and for the difference between CareFirst's payment and the Health Care Provider's charge for a Non-Contracting Provider.

Numerical example, assuming:	
the amount Medicare would have paid is not available;	
CareFirst Deductible, if applicable, has been met;	
CareFirst Coinsurance of either 100% or 80%	
CareFirst Allowed Benefit	\$ 500.00
Medicare payment	\$ 0.00
Basis for CareFirst's payment is 20% of Allowed Benefit	\$ 100.00
Multiplied by 100% CareFirst Coinsurance equals CareFirst payment of	\$ 100.00
OR multiplied by 80% CareFirst Coinsurance equals CareFirst payment of	\$ 80.00

DESCRIPTION OF COVERED SERVICES

The services described herein are eligible for coverage under this Evidence of Coverage. CareFirst will provide the benefits described in the Schedule of Benefits for Medically Necessary Covered Services Incurred by a Member, including any extension of benefits for which the Member is eligible. It is important to refer to the Schedule of Benefits to determine the percentage of the Allowed Benefit that CareFirst will pay and any specific limits on the number of services that will be covered. The Schedule of Benefits also lists other features that affect Member coverage, including, if applicable, the Deductible, Out-of-Pocket Maximum, and specific benefit limitations.

PREVENTIVE AND WELLNESS SERVICES

A. Covered Services:

1. Evidence-based items or services that have in effect a rating of “A” or “B” in the current recommendations of the United States Preventive Services Task Force (USPSTF).
 - a. With respect to women, such additional preventive care and screenings as provided for in comprehensive guidelines supported by the Health Resources and Services Administration. The current recommendations of the United States Preventive Service Task Force regarding breast cancer screening, mammography, and prevention shall be considered the most current other than those issued in or around November 2009.
 - b. Immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices (ACIP) of the Centers for Disease Control and Prevention with respect to the individual involved.
 - c. With respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.
2. If a recommendation or guideline for a recommended preventive service does not specify the frequency, method, treatment, or setting for the provision of that service, CareFirst will use reasonable medical management techniques to determine any coverage limitations for which a recommended preventive service will be available without cost-sharing requirements to the extent not specified in a recommendation or guideline.
3. CareFirst shall update new recommendations to the preventive benefits listed above at the schedule established by the Secretary of Health and Human Services.

Benefits include immunizations/vaccinations required for travel as recommended by the Centers for Disease Control and Prevention (CDC).

**AMBULANCE SERVICES
(EMERGENCY AND NON-EMERGENCY)**

A. Covered Services

Medically Necessary, emergency and non-emergency air transportation, surface, and ground ambulance services to the nearest facility where appropriate medical care is available, as determined by CareFirst.

AUTISM SPECTRUM DISORDERS

A. Definitions

Autism Spectrum Disorders means any of the pervasive developmental disorders, as described in the current version of the diagnostic and statistical manual of mental disorders.

Diagnosis of Autism Spectrum Disorders means Medically Necessary assessments, evaluations, or tests to diagnose whether a Member has an Autism Spectrum Disorder.

Habilitative or Rehabilitative Care means professional, counseling, and guidance services and treatment programs, including Occupational Therapy, Physical Therapy, Speech Therapy, behavioral health treatments such as Applied Behavior Analysis, and devices that are necessary to develop, maintain, or restore, to the maximum extent practicable, the functioning of a Member.

Treatment of Autism Spectrum Disorders means Habilitative or Rehabilitative Services prescribed to a Member diagnosed with an Autism Spectrum Disorder.

B. Covered Services for all Members, as follows:

1. The diagnosis of Autism Spectrum Disorders.
2. Evidence-based, Medically Necessary Treatment of Autism Spectrum Disorders, as determined by CareFirst.

CONTROLLED CLINICAL TRIAL PATIENT COST COVERAGE

Controlled Clinical Trial Patient Cost benefits are available as follows:

A. Definitions

Controlled Clinical Trial means a treatment that is:

1. Approved by an institutional review board;
2. Conducted for the primary purpose of determining whether or not a particular treatment is safe and efficacious; and
3. Is approved by:
 - a. The National Institutes of Health (NIH) or a Cooperative Group.
 - b. The Centers for Disease Control and Prevention.
 - c. The Agency for Health Care Research and Quality.
 - d. The Centers for Medicare & Medicaid Services.
 - e. Cooperative group or center of any of the entities described in clauses 3.a) through 3.d) above or the Department of Defense or the Department of Veterans Affairs.
 - f. A qualified non-governmental research entity identified in the guidelines issued by the NIH for center support grants.
 - g. The Department of Veterans Affairs, the Department of Defense or the Department of Energy, if the study or investigation has been reviewed and approved through a system of peer review that has been determined:
 - 1) To be comparable to the system of peer review of studies and investigations used by the NIH, and
 - 2) Assures unbiased review of the highest scientific standards by qualified individuals who have no interest in the outcome of the review.
 - h. The FDA in the form of an investigational new drug application.
 - i. An institutional review board of an institution in a state that has a Multiple Project Assurance Contract approved by the Office of Protection from Research Risks of the NIH.

Cooperative Group means a formal network of facilities that collaborate on research projects and have an established NIH-approved peer review program operating within the group. Cooperative Group includes the National Cancer Institute Clinical Cooperative Group; the National Cancer Institute Community Clinical Oncology Program; the Aids Clinical Trials Group; and the Community Programs For Clinical Research in Aids.

Multiple Project Assurance Contract means a contract between an institution and the federal Department of Health and Human Services that defines the relationship of the institution to the United States Department of Health and Human Services and sets out the responsibilities of the institution and the procedures that will be used by the institution to protect human subjects.

NIH means the National Institutes of Health.

Patient Cost means the cost of a Medically Necessary health care service that is incurred as a result of the treatment being provided to the Member for purposes of the clinical trial. Patient Cost does not include the cost of an Investigational drug or device, the cost of non-health care services that a Member may be required to receive as a result of the treatment being provided for purposes of the clinical trial, costs associated with managing the research associated with the clinical trial, or costs that would not be covered under this Evidence of Coverage for non-Investigational treatments.

B. Covered Services

1. Benefits will be provided to a Member in a Controlled Clinical Trial if the Member's participation in the Controlled Clinical Trial is the result of:
 - a. Treatment provided for a life-threatening condition; or,
 - b. Prevention, early detection, and treatment studies on cancer.
2. Coverage will be provided only if:
 - a. The treatment is being provided or the studies are being conducted in a Phase I, Phase II, Phase III, or Phase IV Controlled Clinical Trial for cancer; or,
 - b. The treatment is being provided in a Phase I, Phase II, Phase III, or Phase IV Controlled Clinical Trial for any other life-threatening condition;
 - c. The facility and personnel providing the treatment are capable of doing so by virtue of their experience, training, and volume of patients treated to maintain expertise;
 - d. There is no clearly superior, non-Experimental/Investigational treatment alternative; and,
 - e. The available clinical or pre-clinical data provide a reasonable expectation that the treatment will be at least as effective as the non-Experimental/Investigational alternative.
3. Coverage is provided for the Patient Cost incurred for drugs and devices that have been approved for sale by the FDA whether or not the FDA has approved the drug or device for use in treating the Member's particular condition, to the extent that the drugs or devices are not paid for by the manufacturer, distributor, or provider of that drug or device.

DIABETES-RELATED SERVICES

A. Covered Services:

1. Coverage will be provided for all Medically Necessary and medically appropriate equipment when deemed by the treating physician or other appropriately licensed Health Care Provider to be necessary for the treatment of diabetes (Types I and II), elevated or impaired blood glucose levels induced by pregnancy or consistent with the American Diabetes Association's standard, elevated or impaired blood glucose levels induced by prediabetes.
2. Coverage will be provided for all Medically Necessary and medically appropriate Diabetes Supplies when deemed by the treating physician or other appropriately licensed Health Care Provider to be necessary for the treatment of diabetes (Types I and II), elevated or impaired blood glucose levels induced by pregnancy or consistent with the American Diabetes Association's standard, elevated or impaired blood glucose levels induced by prediabetes.
3. Coverage will be provided for all Medically Necessary and medically appropriate diabetes outpatient self-management training and educational services, including medical nutrition therapy, as follows:
 - a. When deemed by the treating physician or other appropriately licensed Health Care Provider to be necessary for the treatment of diabetes (Types I and II), or elevated blood glucose levels induced by pregnancy.
 - b. If deemed necessary, diabetes outpatient self-management training and educational services, including medical nutrition therapy, shall be provided through an in-person program supervised by an appropriately licensed, registered, or certified Health Care Provider whose scope of practice includes diabetes education or management.

EMERGENCY SERVICES AND URGENT CARE

A. Covered Services

1. With respect to an Emergency Medical Condition, Emergency Services evaluation, examination, and treatment to stabilize the Member.
2. Urgent Care services.
3. Follow-up care after emergency surgery.
4. Ambulance Services, as stated in this Description of Covered Services.

B. Limitations

1. Follow-up care after emergency surgery is limited to Covered Services provided by the Health Care Provider who performed the surgical procedure. The Member will be responsible for the same copayment for each follow-up visit as would be required for a visit to a Contracted Health Care Provider for specialty care.

GENERAL ANESTHESIA FOR DENTAL CARE

A. Covered Services

1. Benefits for general anesthesia and associated hospital or ambulatory facility charges in conjunction with dental care will be provided to a Member under the following circumstances:
 - a. If the Member is:
 - 1) Seven (7) years of age or younger, or developmentally disabled;
 - 2) An individual for whom a successful result cannot be expected from dental care provided under local anesthesia because of a physical, intellectual, or other medically compromising condition of the Member; and
 - 3) An individual for whom a superior result can be expected from dental care provided under general anesthesia.
 - b. Or, if the Member is:
 - 1) Seventeen years of age or younger;
 - 2) An extremely uncooperative, fearful, or uncommunicative individual;
 - 3) An individual with dental needs of such magnitude that treatment should not be delayed or deferred; and
 - 4) An individual for whom lack of treatment can be expected to result in severe oral pain, significant infection, loss of multiple teeth, or other serious oral or dental morbidity.
 - c. Or, if the Member has a medical condition that requires admission to a hospital or ambulatory surgical facility and general anesthesia for dental care.
 - d. Benefits for general anesthesia and associated hospital or ambulatory facility charges are restricted to dental care that is provided by:
 - 1) A fully accredited specialist in pediatric dentistry;
 - 2) A fully accredited specialist in oral and maxillofacial surgery; and
 - 3) A dentist who has been granted hospital privileges.
 - e. This provision does not provide benefits for general anesthesia and associated hospital or ambulatory facility charges for dental care rendered for temporomandibular joint disorders.
 - f. This provision does not provide benefits for the dental care for which the general anesthesia is provided.

HOME HEALTH CARE

A. Covered Services

1. Home Health Care, as defined in this Evidence of Coverage.
2. Home Visits Following Childbirth, including any services required by the attending Health Care Provider:
 - a. For a Member and Dependent child(ren) who remain in the hospital for at least 48 hours after an uncomplicated vaginal delivery, or ninety-six (96) hours after an uncomplicated cesarean section, one home visit following childbirth, if prescribed by the attending Health Care Provider;
 - b. For a Member who, in consultation with her attending Health Care Provider, requests a shorter hospital stay (less than forty-eight (48) hours following an uncomplicated vaginal delivery or ninety-six (96) hours following an uncomplicated cesarean section):
 - 1) One home visit following childbirth scheduled to occur within twenty-four (24) hours after discharge;
 - 2) An additional home visit following childbirth if prescribed by the attending Health Care Provider.
 - c. An attending Health Care Provider may be an obstetrician, pediatrician, other physician, certified nurse-midwife, or pediatric nurse Health Care Provider, attending the Member or newborn Dependent child(ren).
 - d. Home visits following childbirth must be rendered, as follows:
 - 1) In accordance with generally accepted standards of nursing practice for home-care of a mother and newborn children;
 - 2) By a registered nurse with at least one year of experience in maternal and child health nursing or in community health nursing with an emphasis on maternal and child health.
3. Home Visits Following a Mastectomy
 - a. For a Member who receives less than forty-eight (48) hours of inpatient hospitalization following a mastectomy or who undergoes a mastectomy on an outpatient basis, benefits will be provided for:
 - 1) One home visit scheduled to occur within twenty-four (24) hours after discharge from the hospital or outpatient health care facility; and
 - 2) An additional home visit if prescribed by the Member's attending physician.
 - b. For a Member who remains in the hospital for at least forty-eight (48) hours following a mastectomy, coverage will be provided for a home visit if prescribed by the Member's attending physician.

4. Home Visits Following the Surgical Removal of a Testicle
 - a. For a Member who receives less than forty-eight (48) hours of inpatient hospitalization following the surgical removal of a testicle, or who undergoes the surgical removal of a testicle on an outpatient basis:
 - 1) One home visit following the surgical removal of a testicle scheduled to occur within twenty-four (24) hours after discharge; and
 - 2) An additional home visit following the surgical removal of a testicle if prescribed by the attending physician.

B. Limitations

1. The Home Health Care Visits must be a substitute for hospital care or for care in a Skilled Nursing Facility (i.e., if Home Health Care Visits were not provided, the Member would have to be admitted to a hospital or Skilled Nursing Facility).
2. The Member must be confined to “home” due to a medical condition. “Home” cannot be an institution, convalescent home or any facility which is primarily engaged in rendering medical or Rehabilitative Services to the sick, disabled or injured persons.
3. Services of a home health aide, medical social worker or registered dietician must be performed under the supervision of a licensed professional nurse (RN or LPN).
4. The Member must require and continue to require Skilled Nursing Care or Rehabilitative Services in order to qualify for home health aide services or other types of Home Health Care.

HOSPICE CARE

A. Definitions

Caregiver means a person who is not a Health Care Provider who lives with or is the primary caregiver of the Member in the home. The Caregiver can be a relative by blood, marriage or adoption or a friend of the Member, but cannot be a person who normally charges for giving services. However, at CareFirst's discretion, a Caregiver may be an employee of a hospice care hospital/agency.

Hospice Care Program means a coordinated, interdisciplinary program of hospice care services for meeting the special physical, psychological, spiritual, and social needs of terminally ill individuals and their families, by providing palliative and supportive medical, nursing, and other health services through home or inpatient care during the illness and bereavement.

Respite Care means short-term care for a Member that provides relief to the Caregiver.

B. Covered Services

Hospice care benefits are available for a terminally ill Member (medical prognosis by a physician that the Member's life expectancy is six months or less) when the Member is under the care of a PCP or other Health Care Provider to whom the Member was referred, as follows:

1. Inpatient and outpatient hospice facility services.
2. Part-time nursing care by or supervised by a registered graduate nurse.
3. Counseling.
4. Medical Supplies.
5. Durable Medical Equipment.
6. Prescription Drugs required to maintain the comfort and manage the pain of the Member.
7. Medical care by the attending physician.
8. Respite Care.
9. Other Medically Necessary health care services at CareFirst's discretion.

Additionally, hospice care benefits are available for a Member's family and/or Caregiver, as follows:

1. Periodic family counseling before the Member's death.
2. Bereavement counseling.

INFERTILITY SERVICES

A. Definitions

Infertility means the inability to conceive under the conditions determined below.

Iatrogenic Infertility means an impairment of fertility caused directly or indirectly by surgery, chemotherapy, radiation or other medical treatment affecting the reproductive organs or processes.

Medical Treatment that may Directly or Indirectly Cause Iatrogenic Infertility means medical treatment with a likely side effect of infertility as established by the American Society for Reproductive Medicine, the American College of Obstetricians and Gynecologists, or the American Society of Clinical Oncology.

B. Covered Services

1. **Artificial Insemination/Intrauterine Insemination (AI/IUI)**

a. Benefits are available for the diagnosis and treatment of Infertility including:

- 1) Medically Necessary, non-Experimental/Investigational outpatient medical and surgical services associated with AI/IUI, under the conditions stated below.
- 2) Fertility agents. Fertility agents required to be taken by the Member's partner are only covered if the Member's partner is also a Member under this Evidence of Coverage.

b. AI/IUI benefits are available when recommended by a physician, as follows:

- 1) For a Member whose partner is of the opposite sex:
 - a) The Member or the Member's partner have a history of inability to conceive resulting from a proven medical diagnosis of Infertility; or
 - b) The Member or the Member's partner has had a fertility examination that resulted in a physician's recommendation advising AI/IUI.
 - c) Charges associated with the collection of the Member's partner's sperm are covered if the partner is also a Member. If the Member's partner is not a Member, benefits for the collection of the Member's partner's sperm are not available.
 - d) Benefits for the cost of donor oocytes are not available, unless the Member's oocytes or the Member's partner's oocytes are not viable and donor oocytes are recommended as part of the physician's recommended treatment.
 - e) Benefits for the cost of donor sperm are not available, unless the Member's sperm or the Member's partner's sperm is not viable and donor sperm is recommended as part of the physician's recommended treatment.
- 2) For a Member whose partner is of the same sex and individual Members:

- a) The Member has had a fertility examination that resulted in a physician's recommendation advising AI/IUI.
 - b) Benefits for the cost of donor oocytes are not available, unless the Member's oocytes or the Member's partner's oocytes are not viable and donor oocytes are recommended as part of the physician's recommended treatment.
 - c) Benefits for the cost of donor sperm are available.
- c. References in this subsection to a "partner" means (a) legally married spouses (if the spouse is also a Member), (b) Domestic Partners (if Domestic Partners are eligible for coverage; see Eligibility Schedule), (c) the Member's unmarried partner (if the unmarried partner is also a Member), and (d) individual Members.

2. **In Vitro Fertilization (IVF), Gamete Intra Fallopian Transfer (GIFT), and/or Zygote Intra Fallopian Transfer (ZIFT)**

- a. Benefits are available when recommended by a physician for the diagnosis and treatment of Infertility including:
 - 1) Medically Necessary, non-Experimental/Investigational IVF, GIFT, or ZIFT, under the conditions stated below.
 - 2) All medical and surgical services associated with IVF, GIFT, or ZIFT procedures.
 - 3) Diagnostic imaging including ultrasonographic and related methods of follicular evaluation.
 - 4) Pathology and laboratory services, including but not limited to, blood chemistries, hormonal assays, oocyte and sperm processing prior to fertilization.
 - 5) Fertilization and culture of fertilized oocytes.
 - 6) Examination of the products of conception.
 - 7) Surgical services including oocyte harvesting and transfer.
 - 8) Laparoscopy and GIFT/ZIFT procedure.
 - 9) Fertility agents. Fertility agents required to be taken by the Member's partner are only covered if the Member's partner is also a Member under this Evidence of Coverage.
 - 10) Medical visits (for evaluation, embryo implantation, and follow-up care).
 - 11) Other Medically Necessary services.
- b. IVF, GIFT, and ZIFT benefits are available, as follows:
 - 1) For a Member whose partner is of the opposite sex:
 - a) The Member or the Member's partner have a history of inability to conceive resulting from a proven medical diagnosis of Infertility including:

- (1) Endometriosis;
 - (2) Exposure in utero to diethylstilbestrol, commonly known as DES;
 - (3) Blockage of, or surgical removal of, one or both fallopian tubes (lateral or bilateral salpingectomy); or
 - (4) Abnormal male factors, including oligospermia, contributing to the infertility.
- b) The Member of the Member's partner has had a fertility examination that resulted in a physician's recommendation advising IVF, GIFT, and ZIFT.
 - c) Charges associated with the collection of the Member's partner's sperm are covered if the partner is also a Member. If the Member's partner is not a Member, benefits for the collection of the Member's partner's sperm are not available.
 - d) Benefits for the cost of donor oocytes are not available, unless the Member's oocytes or the Member's partner's oocytes are not viable and donor oocytes are recommended as part of the physician's recommended treatment.
 - e) Benefits for the cost of donor sperm are not available, unless the Member's sperm or the Member's partner's sperm is not viable and donor sperm is recommended as part of the physician's recommended treatment.
- 2) For a Member whose partner is of the same sex and individual Members:
 - a) The Member or the Member's partner must have a proven medical diagnosis of Infertility including:
 - (1) Endometriosis;
 - (2) Exposure in utero to diethylstilbestrol, commonly known as DES;
 - (3) Blockage of, or surgical removal of, one or both fallopian tubes (lateral or bilateral salpingectomy); or
 - (4) Abnormal male factors, including oligospermia, contributing to the infertility.
 - b) Benefits are available when the Member has had a fertility examination that resulted in a physician's recommendation advising IVF, GIFT, or ZIFT.
 - c) Benefits for the cost of donor oocytes are not available, unless the Member's oocytes or the Member's partner's oocytes are not viable and donor oocytes are recommended as part of the physician's recommended treatment.
 - d) Benefits for the cost of donor sperm are available.

- 3) The Member has been unable to attain a successful pregnancy through less costly infertility treatment for which coverage is available under this Evidence of Coverage; and
 - 4) The IVF procedures are performed at medical facilities that conform to applicable guidelines or minimum standards issued by the American College of Obstetricians and Gynecologists or the American Society for Reproductive Medicine.
 - c. References in this subsection to a “partner” means (a) legally married spouses (if the spouse is also a Member), (b) Domestic Partners (if Domestic Partners are eligible for coverage; see Eligibility Schedule), (c) the Member’s unmarried partner (if the unmarried partner is also a Member), and (d) individual Members.
3. Standard fertility preservation treatments for Members with Iatrogenic Infertility, as follows:
 - a. Benefits are available for procedures to preserve fertility that are consistent with established medical practices and professional guidelines published by the American Society for Reproductive Medicine, the American College of Obstetricians and Gynecologists, or the American Society of Clinical Oncology, including sperm and oocyte cryopreservation and evaluations, laboratory assessments, medications, and treatments associated with sperm and oocyte cryopreservation.
 - b. The fertility preservation Covered Services must be performed on a Member.
 - c. The fertility preservation procedures must be Medically Necessary to preserve fertility of the Member due to a need for Medical Treatment that may Directly or Indirectly Cause Iatrogenic Infertility.

**INPATIENT/OUTPATIENT HEALTH CARE PROVIDER SERVICES
(ambulatory services; hospitalization; laboratory services)**

A. Covered Services

1. Inpatient medical care and consultations.
2. Outpatient medical care and consultations, including:
 - a. Telemedicine Services:
 - 1) Benefits are available for the use of interactive audio, video, or other electronic media for the purpose of diagnosis, consultation, or treatment of the Member at a site other than the site where the Member is located (“Telemedicine Services”).
 - 2) Telemedicine Services do not include an audio-only telephone, electronic mail message, or facsimile transmission between a Health Care Provider and a Member.
3. Support services including room and board in a semi-private room (or in a private room when Medically Necessary), and medical and nursing services provided to hospital patients in the course of care including services such as laboratory, radiology, pharmacy, Occupational Therapy, Physical Therapy, Speech Therapy, blood products (both derivatives and components) and whole blood, if not donated or replaced.  - g. Screening for the presence of the diagnosis of GD and for medical and mental health issues must be done by two (2) qualified health professionals, one of whom must be a physician; and
 - h. The Member has had a minimum of three (3) months of psychotherapy/counseling prior to the administration of cross-gender hormones.

VISION CARE SERVICES: Routine Vision Exam

CareFirst has contracted with Davis Vision, Inc., a national provider of Vision Care services, to administer Vision Care benefits. Davis Vision, Inc. is an independent company and administers Vision Care services on behalf of CareFirst.

Davis Vision, Inc. has special agreements with optometrists and ophthalmologists to provide Vision Care benefits to Members. These optometrists and ophthalmologists are Contracting Providers. If a Member chooses to obtain Vision Care from a Contracting Provider, the cost to the Member is lower than if the Member chooses a Non-Contracting Provider for which out-of-network benefits are provided.

Hereafter, for purposes of Vision Care, references to CareFirst shall also include Davis Vision, Inc.

A. Definitions

Allowed Benefit, for purposes of Vision Care, means:

1. For a Contracting Provider, the Allowed Benefit for a covered service is the lesser of:
 - a. The actual charge; or
 - b. The amount allowed for the service in effect on the date that the service is rendered.

The benefit is payable to the Contracting Provider and is accepted as payment in full, except for any applicable Member payment amounts, as stated in the Schedule of Benefits.

2. For a Non-Contracting Provider, the Allowed Benefit for a covered service will be determined in the same manner as the Allowed Benefit to a Contracting Provider.

The benefit is payable to the Subscriber or to the Non-Contracting Provider, at the discretion of CareFirst. If CareFirst pays the Subscriber, it is the Member's responsibility to pay the Non-Contracting Provider. Additionally, the Member is responsible for any applicable Member payment amounts, as stated in the Schedule of Benefits, and for the difference between the Allowed Benefit and the Non-Contracting Provider's actual charge.

Benefit Period means the period of time during which covered Vision Care benefits are eligible for payment. The Benefit Period is on a calendar year basis.

Contracting Provider means any optometrist or ophthalmologist licensed as such by the duly constituted authority in the jurisdiction in which Vision Care is rendered when acting within the scope of such license; and that has contracted with Davis Vision, Inc. to provide Vision Care services on behalf of CareFirst. The Member should contact Davis Vision, Inc. for the current list of Contracting Providers.

Non-Contracting Provider means any optometrist or ophthalmologist licensed as such by the duly constituted authority in the jurisdiction in which Vision Care is rendered when acting within the scope of such license; and who does not have an agreement with Davis Vision, Inc. for the rendering of Vision Care services on behalf of CareFirst. A Non-Contracting Provider under this section may or may not have contracted with CareFirst.

Vision Care means those services for which benefits are provided under this section.

B. Covered Services

One vision examination per Benefit Period which may include, but is not limited to:

1. Case history;
2. External examination of the eye and adnexa;
3. Ophthalmoscopic examination;
4. Determination of refractive status;
5. Binocular balancing test;
6. Tonometry test for glaucoma;
7. Gross visual field testing;
8. Color vision testing;
9. Summary finding; and
10. Recommendation, including prescription of corrective lenses.

SCHEDULE OF BENEFITS

CareFirst pays (on the Plan’s behalf) only for Covered Services. Services that are not listed in the Description of Covered Services, or are listed in Exclusions, are not Covered Services.

The Member pays for services, supplies or care which is not covered. The Member pays any applicable Deductible, and Coinsurance or Copayment.

When determining the benefits a Member may receive, CareFirst considers all provisions of this Evidence of Coverage, its medical policies, and its operating procedures. Certain Utilization Management Requirements may apply. When these rules are not met, payments may be denied or reduced. See Utilization Management Requirements for these rules.

CareFirst has designed the below Schedule of Benefits to identify CareFirst’s payment for Covered Services. Such payments typically depend on:

- Type of Health Care Provider (e.g., hospital/facility vs. professional practitioner);
- Covered Service(s); and
- Place of service (e.g., inpatient/outpatient, emergency room/department, hospital/facility, office).

Generally, services rendered in a hospital/facility place of service result in claims both from the hospital/facility and from professional practitioners rendering care in the hospital/facility setting.

Additionally, certain Covered Services may result in claims for multiple services. For example, claims for mastectomy-related services could include, at minimum, diagnostic services and surgery. Instead of repeating the CareFirst Payment for diagnostic services and surgery, the CareFirst payment for mastectomy-related services indicates “Benefits are available to the same extent as benefits provided for other illnesses.”

COPAYS	
Primary Care Provider (PCP)	Specialist
A \$15 per visit Copay applies to Covered Services by a PCP, as defined in the Definitions section of this Evidence of Coverage.	A \$30 per visit Copay applies to Covered Services by a Specialist, as defined in the Definitions section of this Evidence of Coverage.

INPATIENT COPAY
\$100 per admission
The Inpatient Copay applies to admissions as stated in the Schedule of Benefits.

DEDUCTIBLE	
Type of Coverage	(Applicable to all benefits, except as stated in the Schedule of Benefits)
Individual	There is no In-Network Individual Deductible
Family	There is no In-Network Deductible

OUT-OF-POCKET MAXIMUM	
Type of Coverage	
Individual	\$1,500
Family	\$4,500
Individual Type of Coverage	
When the Type of Coverage is Individual, CareFirst will pay for all or part of remaining Covered Services when the Member reaches the Individual Out-of-Pocket amount.	
Family Type of Coverage	
When the Type of Coverage is not Individual, CareFirst will pay for Covered Services for a family Member who reaches the Individual Out-of-Pocket Maximum stated above.	
An individual may <u>not</u> contribute more than the Individual Out-of-Pocket amount stated above towards the Individual and Child, Individual and Adult, or Family Out-of-Pocket Maximum amount.	
Eligible expenses for all covered Members are combined to satisfy the Out-of-Pocket Maximum for Individual and Child, Individual and Adult, or Family Type of Coverage.	
Once the Out-of-Pocket Maximum for the Individual and Child, Individual and Adult, or Family Type of Coverage has been met, this will satisfy the Out-of-Pocket Maximum for all covered family Members.	
CareFirst's payment for Covered Services will increase to 100% of the Allowed Benefit for the remainder of the Benefit Period when the Out-of-Pocket Maximum is met.	
Once the Out-of-Pocket Maximum is met, the Member's cost-share for Covered Services (e.g., Coinsurance, Copays, and Inpatient Copay (if applicable)) will be waived for the remainder of the Benefit Period.	
The following amounts apply to the Out-of-Pocket Maximum:	The following amounts do <u>not</u> apply to the Out-of-Pocket Maximum:
<ul style="list-style-type: none"> • Coinsurance (Member's share). • Per admission copay • Copays. 	<ul style="list-style-type: none"> • Charges in excess of the Allowed Benefit. • Amounts paid by the Members for services provided under the Group's third-party prescription drug coverage.

**PATIENT PROTECTION AND AFFORDABLE CARE ACT
OUT-OF-POCKET MAXIMUM**

Benefits for Prescription Drugs are not available under this Evidence of Coverage, except to the extent stated in the Description of Covered Services. The Group may provide prescription drug benefits through a third-party pharmacy benefit manager or other insurance provider. Notwithstanding, the Member's Patient Protection and Affordable Care Act (PPACA) Out-of-Pocket Maximum will be a combined amount consisting of:

- The Out-of-Pocket Maximum stated in this Evidence of Coverage; and
- Prescription drug out-of-pocket expenses incurred by the Member under separate prescription drug coverage.

Amounts in excess of the Allowed Benefit are not included in the PPACA Out-of-Pocket Maximum.

The PPACA Out-of-Pocket Maximum for in-network services may not exceed the following amounts:

Individual	Family
\$8,550	\$17,100

CareFirst's payment for in-network Covered Services will increase to 100% of the Allowed Benefit for the remainder of the Benefit Period if the PPACA Out-of-Pocket Maximum is met. Copays, if applicable, will be waived for the remainder of the Benefit Period.

LIFETIME MAXIMUM

The Lifetime Maximum for Essential Health Benefits Covered Services and for Covered Services that are **not** Essential Health Benefits is unlimited per Member.

CARE SUPPORT PROGRAMS, SUBSTANCE USE DISORDER PROGRAM, AND HEALTH PROMOTION AND WELLNESS PROGRAM, AND DISEASE MANAGEMENT ADDENDUM

TABLE OF CONTENTS

SECTION A	DEFINITIONS
SECTION B	DESCRIPTION OF COVERED SERVICES
	1. Care Support Programs
	2. Substance Use Disorder Program
	3. Health Promotion and Wellness Covered Services
	4. Disease Management Covered Services

This Addendum is issued by CareFirst to be attached to and become a part of the Evidence of Coverage. The effective date of coverage and termination date of coverage under this Addendum are the same as the effective date and termination date stated in the Group's Administrative Services Agreement for the benefits described herein.

SECTION A. DEFINITIONS

In addition to the definitions contained in the Evidence of Coverage, for purposes of this Addendum, the underlined terms, below, when capitalized, have the following meaning:

Care Support Programs are health care and wellness programs designed to promote the collaborative process of assessment, planning, and facilitation, and advocacy for options and services to meet a Qualified Individual's health needs through communication and available resources to promote quality cost-effective outcomes. Care Support Programs include but are not limited to; care coordination, case management, condition specific support, and enhanced monitoring.

Designated Provider means a provider or vendor contracted with CareFirst to provide services under CareFirst's Care Support Programs, and who has agreed to participate in Care Support Programs in cooperation with CareFirst for Members with complex chronic disease, high risk acute conditions or lifestyle behavior change.

Health Care Provider, for purposes of the Patient-Centered Medical Home Program, means a physician, health care professional or health care facility licensed or otherwise authorized by law to provide Covered Services described in this section.

Qualifying Individual, for purposes of the Care Support Program and Patient-Centered Medical Home Program, means a Member with certain conditions or complex health care needs, as determined by CareFirst, requiring care support and coordination of health services. The Member agrees to participate and comply with any and all elements in any given Care Support Program and Patient-Centered Medical Home Program.

Specialist, for purposes of this Addendum, means a licensed health care provider who is certified or trained in a specified field of medicine.

Substance Use Disorder means:

1. Alcohol Use Disorder means a disease that is characterized by a pattern of pathological use of alcohol with repeated attempts to control its use, and with negative consequences in at least one of the following areas of life: medical, legal, financial, or psycho-social; or
2. Drug Use Disorder means a disease that is characterized by a pattern of pathological use of a drug with repeated attempts to control the use, and with negative consequences in at least one of the following areas of life: medical, legal, financial, or psycho-social.

Substance Use Disorder Program means the CareFirst program for Members with a diagnosed Substance Use Disorder. The program includes ambulatory/outpatient detoxification, individual therapy, group therapy and medication assisted therapy.

SECTION B. DESCRIPTION OF COVERED SERVICES

Benefits are available for:

1. Care Support Programs

- a. Benefits are available to Qualified Individuals to manage the care of certain complex chronic or high-risk acute diseases when provided by Designated Providers or through CareFirst. Services provided under Care Support Programs can include but are not limited to telemedicine services; case management services; expert consultation services; medication review services; medical equipment and monitoring services; and home health care services (“Care Support Program Services”).
 - 1) Medical, behavioral, or other Covered Services received as part of, or as a result of Care Support Program Services are subject to applicable contract limits, Deductibles, Copayments, and/or Coinsurance as stated in the Schedule of Benefits section of this Evidence of Coverage.
 - 2) There is no Copayment and/or Coinsurance associated with Care Support Program Services. The Deductible, if any, does not apply to Care Support Program Services unless the Member’s health benefit plan is a Health Savings Account (HSA)-compatible plan..
- b. Exclusions and Limitations. Coverage will not be provided for the services listed in this amendment when rendered by non-Designated Providers.

2. Substance Use Disorder Program

- a. Program benefits will be provided for outpatient treatment of Substance Use Disorder in accordance with the Substance Use Disorder Program if:
 - 1) The Member qualifies for the Substance Use Disorder Program, as determined by CareFirst.
 - 2) The Member receives treatment from a Designated Provider, as determined by CareFirst;
 - 3) Treatment is rendered through an intensive outpatient program (IOP) or an outpatient program at a Designated Provider as determined by CareFirst.

- b. There is no Copayment and/or Coinsurance associated with services provided under this program. The Deductible, if any, does not apply to Covered Service provided under this provision unless the Member's health benefit plan is a Health Savings Account (HSA)-compatible plan.

3. **Health Promotion and Wellness Covered Services**

- a. Health Assessments are available for all adult Members.
- b. Benefits are available for Biometric Screening of Members, as defined above.
- c. Lifestyle Coaching Session services are available as follows:
 - 1) With the Member's consent, an initial discussion with a lifestyle coach to establish defined goal(s) for wellness coaching, and to determine the frequency of future coaching sessions in order to best meet the goal(s) established.
 - 2) After the initial discussion, Coaching Sessions to track, support, and advance the Member's wellness/lifestyle goal(s).
- d. Other Wellness Program benefits are available, which may include tobacco-cessation, well-being challenges, and financial well-being improvement programs.
- e. Weight Loss Services are available to clinically obese Members, as follows:
 - 1) A clinically obese Member is a Member whose Body Measurement Index (BMI) score is greater than thirty (30).
 - 2) A dedicated, CareFirst approved coach is assigned to the Member to assist the Member in the development of healthy eating habits, physical activity habits, and to address the emotional, social, and environmental aspects shown to be important for sustained weight loss.
 - 3) The Members receive one-on-one telephonic interventions with the coach and online educational resources, robust food, exercise trackers, recipes, peer-to-peer communication, and group community features for complete social support and accountability.
- f. There is no Copayment and/or Coinsurance associated with services provided under this program. The Deductible, if any, does not apply to Covered Service provided under this provision unless the Member's health benefit plan is a Health Savings Account (HSA)-compatible plan.

4. **Disease Management Covered Services**

- a. Disease Management services, which may include a Disease Management Program to help the Member understand his/her disease and health status and physician treatment plans, individual and family education regarding the disease, treatment compliance and self-care techniques, and help to organize care for the disease, including arranging for needed services and supplies.
- b. Disease Management Coaching Session services are available as follows:
 - 1) With the Member's consent, an initial discussion with a coach to establish defined goal(s) for disease management coaching, and to determine the frequency of future coaching sessions in order to best meet the established goal(s) and manage the disease.

- 2) After the initial discussion, Disease Management Coaching Sessions to track, support, and advance the Member's disease management goal(s).
- c. There is no Copayment and/or Coinsurance associated with services provided under this program. The Deductible, if any, does not apply to Covered Service provided under this provision unless the Member's health benefit plan is a Health Savings Account (HSA)-compatible plan.

This Addendum is issued to be attached to the Evidence of Coverage.

CLAIMS PROCEDURES

Internal claims and Appeals and External Review processes

The Plan's Claims Procedures were developed in accordance with section 503 of the Employee Retirement Income Security Act of 1974 (ERISA or the Act), 29 U.S.C. 1133, 1135, which sets forth minimum requirements for employee benefit plan procedures pertaining to Claims for Benefits by Members as required by 29 CFR 2560.503-1 (the DOL claims procedure regulation), and the Public Health Service Act (PHS Act) requirements with respect to internal claims and Appeals and External Review processes for Group Health Plans that are not grandfathered health plans under §2590.715–1251 as set forth in §2590.715-2719. Except as otherwise specifically provided, these requirements apply to every employee benefit plan described in section 4(a) and not exempted under section 4(b) of the Act. Notwithstanding this provision, nothing herein shall be construed to mean or imply that a non-ERISA Group Health Plan has deemed itself subject to ERISA.

A. DEFINITIONS

The following terms shall have the meaning ascribed to such terms whenever such terms are used in these Claims Procedures.

Adverse Benefit Determination means any of the following: a denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for, a benefit, including any such denial, reduction, termination, or failure to provide or make payment that is based on a determination of a Claimant's eligibility to participate in a Plan, and including, a denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for, a benefit resulting from the application of any utilization review, as well as a failure to cover an item or service for which benefits are otherwise provided because it is determined to be Experimental/Investigational or not Medically Necessary or appropriate. An Adverse Benefit Determination also includes any Rescission of coverage (whether or not, in connection with the Rescission, there is an adverse effect on any particular benefit at that time).

Appeal (or Internal Appeal) means review by the Plan or the Plan's Designee of an Adverse Benefit Determination, as required in paragraph E. of this section.

Claim Involving Urgent Care is any claim for medical care or treatment with respect to which the application of the time periods for making non-urgent care determinations:

1. Could seriously jeopardize the life or health of the Claimant or the ability of the Claimant to regain maximum function, or,
2. In the opinion of a physician with knowledge of the Claimant's medical condition, would subject the Claimant to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

Whether a claim is a Claim Involving Urgent Care is to be determined by an individual acting on behalf of the Plan applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine; however, any claim that a physician with knowledge of the Claimant's medical condition determines is a Claim Involving Urgent Care shall be treated as a Claim Involving Urgent Care for purposes of these Claims Procedures.

Claimant means an individual who makes a claim under this section. For purposes of this section, references to claimant include a claimant's authorized representative.

External Review means a review of an Adverse Benefit Determination (including a Final Internal Adverse Benefit Determination) conducted pursuant to the External Review process of paragraph K of this section.

Final External Review Decision, as used in paragraph K. of this section, means a determination by an Independent Review Organization at the conclusion of an External Review.

Final Internal Adverse Benefit Determination means an Adverse Benefit Determination that has been upheld by the Plan or the Plan's Designee at the completion of the Internal Appeals process applicable under paragraph E. of this section (or an Adverse Benefit Determination with respect to which the Internal Appeals process has been exhausted under the deemed exhaustion rules of paragraph E.3 of this section).

Group Health Plan means an employee welfare benefit Plan within the meaning of section 3(1) of the Act to the extent that such Plan provides "medical care" within the meaning of section 733(a) of the Act.

Health Care Professional means a physician or other Health Care Professional licensed, accredited, or certified to perform specified health services consistent with State law.

Independent Review Organization (or IRO) means an entity that conducts independent External Reviews of Adverse Benefit Determinations and Final Internal Adverse Benefit Determinations pursuant to paragraph K. of this section.

NAIC Uniform Model Act means the Uniform Health Carrier External Review Model Act promulgated by the National Association of Insurance Commissioners in place on July 23, 2010.

Notice or Notification means the delivery or furnishing of information to an individual in a manner appropriate with respect to material required to be furnished or made available to an individual.

Plan means that portion of the Group Health Plan established by the Group that provides for health care benefits for which CareFirst is the claims administrator under this Group Contract.

Plan Designee, for purposes of these Claims Procedures, means CareFirst.

Post-Service Claim means any claim for a benefit that is not a Pre-Service Claim.

Pre-Service Claim means any claim for a benefit with respect to which the terms of the Plan condition receipt of the benefit, in whole or in part, on approval of the benefit in advance of obtaining medical care.

Relevant. A document, record, or other information shall be considered Relevant to a Claimant's claim if such document, record, or other information:

1. Was relied upon in making the benefit determination;

2. Was submitted, considered, or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was relied upon in making the benefit determination;
3. Demonstrates compliance with the administrative processes and safeguards required pursuant to these Claims Procedures in making the benefit determination; or
4. Constitutes a statement of policy or guidance with respect to the Plan concerning the denied treatment option or benefit for the Claimant's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

B. CLAIMS PROCEDURES

These procedures govern the filing of benefit claims, Notification of benefit determinations, and Appeal of Adverse Benefit Determinations (hereinafter collectively referred to as Claims Procedures) for Claimants.

These Claims Procedures do not preclude an authorized representative of a Claimant from acting on behalf of such Claimant in pursuing a benefit claim or Appeal of an Adverse Benefit Determination. Nevertheless, the Plan has established reasonable procedures for determining whether an individual has been authorized to act on behalf of a Claimant, provided that, in the case of a Claim Involving Urgent Care, a Health Care Professional, with knowledge of a Claimant's medical condition shall be permitted to act as the authorized representative of the Claimant.

These Claims Procedures contain administrative processes and safeguards designed to ensure and to verify that benefit claim determinations and Rescissions are made in accordance with governing Plan documents and, where appropriate, Plan provisions have been applied consistently with respect to similarly situated Claimants.

C. CLAIMS PROCEDURES COMPLIANCE

1. Failure to follow Pre-Service Claims Procedures. In the case of a failure by a Claimant or an authorized representative of a Claimant to follow the Plan's procedures for filing a Pre-Service Claim the Claimant or representative shall be notified of the failure and the proper procedures to be followed in filing a Claim for Benefits. This Notification shall be provided to the Claimant or authorized representative, as appropriate, as soon as possible, but not later than five (5) days (24 hours in the case of a failure to file a Claim Involving Urgent Care) following the failure. Notification may be oral, unless written Notification is requested by the Claimant or authorized representative.

The above shall apply only in the case of a failure that:

- a. Is a communication by a Claimant or an authorized representative of a Claimant that is received by the person or organizational unit designated by the Plan or Plan Designee that handles benefit matters; and
 - b. Is a communication that names a specific Claimant; a specific medical condition or symptom; and a specific treatment, service, or product for which approval is requested.
2. Civil Action. A Claimant is not required to file more than the Appeals process described herein prior to bringing a civil action under ERISA.

D. CLAIM FOR BENEFITS

A Claim for Benefits is a request for a Plan benefit or benefits made by a Claimant in accordance with a Plan's reasonable procedure for filing benefit claims. A Claim for Benefits includes any Pre-Service Claims and any Post-Service Claims.

E. TIMING OF NOTIFICATION OF BENEFIT DETERMINATION (Internal claims and Appeal process)

1. In general. Except as provided in paragraph E.2, if a claim is wholly or partially denied, the Claimant shall be notified in accordance with paragraph F. herein, of the Adverse Benefit Determination within a reasonable period of time, but not later than ninety (90) days after receipt of the claim by the Plan or the Plan's Designee, unless it is determined that special circumstances require an extension of time for processing the claim. If it is determined that an extension of time for processing is required, written Notice of the extension shall be furnished to the Claimant prior to the termination of the initial ninety (90)-day period. In no event shall such extension exceed a period of ninety (90) days from the end of such initial period. The extension Notice shall indicate the special circumstances requiring an extension of time and the date by which the benefit determination will be rendered.
2. The Claimant shall be notified of the determination in accordance with the following, as appropriate.
 - a. Expedited Notification of benefit determinations involving urgent care. In the case of a Claim Involving Urgent Care, the Claimant shall be notified of the benefit determination (whether adverse or not) as soon as possible, taking into account the medical exigencies, but not later than seventy-two (72) hours after receipt of the claim unless the Claimant fails to provide sufficient information to determine whether, or to what extent, benefits are covered or payable under the Plan. In the case of such a failure, the Claimant shall be notified as soon as possible, but not later than twenty-four (24) hours after receipt of the claim, of the specific information necessary to complete the claim. The Claimant shall be afforded a reasonable amount of time, taking into account the circumstances, but not less than forty-eight (48) hours, to provide the specified information. Notification of any Adverse Benefit Determination pursuant to this paragraph shall be made in accordance with paragraph F. herein. The Claimant shall be notified of the benefit determination as soon as possible, but in no case later than forty-eight (48) hours after the earlier of:
 - 1) Receipt of the specified information, or
 - 2) The end of the period afforded the Claimant to provide the specified additional information.
 - b. Concurrent care decisions. If an ongoing course of treatment has been approved to be provided over a period of time or number of treatments:
 - 1) Any reduction or termination of such course of treatment (other than by Plan amendment or termination) before the end of such period of time or number of treatments shall constitute an Adverse Benefit Determination. The Claimant shall be notified in accordance with paragraph F. herein, of the Adverse Benefit Determination at a time sufficiently in advance of the reduction or termination to allow the Claimant to Appeal and obtain a determination on review of that Adverse Benefit Determination before the benefit is reduced or terminated.

- 2) Any request by a Claimant to extend the course of treatment beyond the period of time or number of treatments that is a Claim Involving Urgent Care shall be decided as soon as possible, taking into account the medical exigencies. The Claimant shall be notified of the benefit determination, whether adverse or not, within twenty-four (24) hours after receipt of the claim, provided that any such claim is made at least twenty-four (24) hours prior to the expiration of the prescribed period of time or number of treatments. Notification of any Adverse Benefit Determination concerning a request to extend the course of treatment, whether involving urgent care or not, shall be made in accordance with paragraph F. herein, and Appeal shall be governed by paragraphs H.2.a, H.2.b, or H.2.c, herein as appropriate.
 - 3) Continued coverage will be provided pending the outcome of an Appeal.
- c. Other claims. In the case of a claim that is not an urgent care claim or a concurrent care decision the Claimant shall be notified of the benefit determination in accordance with the below "Pre-Service Claims" or "Post-Service Claims," as appropriate.
- 1) Pre-Service Claims. In the case of a Pre-Service Claim, the Claimant shall be notified of the benefit determination (whether adverse or not) within a reasonable period of time appropriate to the medical circumstances, but not later than fifteen (15) days after receipt of the claim. This period may be extended one time for up to 15 days, provided that the Plan or the Plan's Designee both determines that such an extension is necessary due to matters beyond its control and notifies the Claimant, prior to the expiration of the initial fifteen (15)-day period, of the circumstances requiring the extension of time and the date by which a decision is expected to be rendered. If such an extension is necessary due to a failure of the Claimant to submit the information necessary to decide the claim, the Notice of extension shall specifically describe the required information, and the Claimant shall be afforded at least forty-five (45) days from receipt of the Notice within which to provide the specified information. Notification of any Adverse Benefit Determination pursuant to this paragraph shall be made in accordance with paragraph F. herein.
 - 2) Post-Service Claims. In the case of a Post-Service Claim, the Claimant shall be notified, in accordance with paragraph F. herein, of the Adverse Benefit Determination within a reasonable period of time, but not later than thirty (30) days after receipt of the claim. This period may be extended one time for up to fifteen (15) days, provided that the Plan or the Plan's Designee both determines that such an extension is necessary due to matters beyond its control and notifies the Claimant, prior to the expiration of the initial thirty (30)-day period, of the circumstances requiring the extension of time and the date by which a decision is expected to be rendered. If such an extension is necessary due to a failure of the Claimant to submit the information necessary to decide the claim, the Notice of extension shall specifically describe the required information, and the Claimant shall be afforded at least forty-five (45) days from receipt of the Notice within which to provide the specified information.
- d. Calculating time periods. For purposes of paragraph E. herein the period of time within which a benefit determination is required to be made shall begin at the time a claim is filed, without regard to whether all the information necessary to make a benefit determination accompanies the filing. In the event that a period of time is extended as permitted pursuant to paragraph E.2.c above due to a Claimant's failure

to submit information necessary to decide a claim, the period for making the benefit determination shall be tolled from the date on which the Notification of the extension is sent to the Claimant until the date on which the Claimant responds to the request for additional information.

3. Deemed exhaustion of internal claims and Appeals processes. If the Plan or the Plan's Designee fails to strictly adhere to all the requirements of this paragraph E. with respect to a claim, the Claimant is deemed to have exhausted the internal claims and Appeals process, except as provided in paragraph two below. Accordingly, the Claimant may initiate an External Review under paragraph K. of this section. The Claimant is also entitled to pursue any available remedies under section 502(a) of ERISA or under State law, as applicable, on the basis that the Plan or the Plan's Designee has failed to provide a reasonable internal claims and Appeals process that would yield a decision on the merits of the claim. If a Claimant chooses to pursue remedies under section 502(a) of ERISA under such circumstances, the claim or Appeal is deemed denied on review without the exercise of discretion by an appropriate fiduciary.

Notwithstanding paragraph 3 of this section, the internal claims and Appeals process of this paragraph will not be deemed exhausted based on de minimis violations that do not cause, and are not likely to cause, prejudice or harm to the Claimant so long as the Plan or the Plan's Designee demonstrates that the violation was for good cause or due to matters beyond the control of the Plan or the Plan's Designee and that the violation occurred in the context of an ongoing, good faith exchange of information between the Plan or the Plan's Designee and the Claimant. This exception is not available if the violation is part of a pattern or practice of violations by the Plan or the Plan's Designee. The Claimant may request a written explanation of the violation from the Plan or the Plan's Designee, and the Plan or the Plan's Designee must provide such explanation within 10 days, including a specific description of its bases, if any, for asserting that the violation should not cause the internal claims and Appeals process of this paragraph to be deemed exhausted. If an external reviewer or a court rejects the Claimant's request for immediate review under paragraph 3 of this section on the basis that the Plan or the Plan's Designee met the standards for the exception under this paragraph, the Claimant has the right to resubmit and pursue the internal Appeal of the claim. In such a case, within a reasonable time after the external reviewer or court rejects the claim for immediate review (not to exceed ten (10) days), the Plan or the Plan's Designee shall provide the Claimant with Notice of the opportunity to resubmit and pursue the internal Appeal of the claim. Time periods for re-filing the claim shall begin to run upon Claimant's receipt of such Notice.

F. MANNER AND CONTENT OF NOTIFICATION OF BENEFIT DETERMINATION

1. Except in the case of an Adverse Benefit Determination concerning a Claim Involving Urgent Care, the Plan or the Plan's Designee shall provide a Claimant with written or electronic Notification of any Adverse Benefit Determination. The Notification shall set forth, in a manner calculated to be understood by the Claimant:
 - a. The specific reason or reasons for the adverse determination;
 - b. Reference to the specific Plan provisions on which the determination is based;
 - c. A description of any additional material or information necessary for the Claimant to perfect the claim and an explanation of why such material or information is necessary;
 - d. A description of the Plan's review procedures and the time limits applicable to such procedures, including a statement of the Claimant's right to bring a civil

action under section 502(a) of the Act following an Adverse Benefit Determination on review;

- e. In the case of an Adverse Benefit Determination:
 - 1) If an internal rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such a rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge to the Claimant upon request; or
 - 2) If the Adverse Benefit Determination is based on a Medical Necessity or Experimental/Investigational treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the Claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request.
- f. In the case of an Adverse Benefit Determination by the Plan or the Plan's Designee concerning a Claim Involving Urgent Care, a description of the expedited review process applicable to such claims.
- 2. In the case of an Adverse Benefit Determination by the Plan or the Plan's Designee concerning a Claim Involving Urgent Care, the information described above may be provided to the Claimant orally within the time frame prescribed in paragraph E.2.a herein, provided that a written or electronic Notification in accordance with paragraph F.1 of this section is furnished to the Claimant not later than three (3) days after the oral Notification.

Notice will be provided in accordance with paragraph J., herein.

G. APPEAL OF ADVERSE BENEFIT DETERMINATIONS

- 1. To Appeal a denied claim, a written request and any supporting record of medical documentation must be submitted to the address on the reverse side of your membership card within one-hundred and eighty (180) days of the Adverse Benefit Determination.
- 2.
 - a. A Claimant has the opportunity to submit written comments, documents, records, and other information relating to the Claim for Benefits;
 - b. A Claimant shall be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information Relevant to the Claimant's Claim for Benefits;
 - c. The Plan or the Plan's Designee shall take into account all comments, documents, records, and other information submitted by the Claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.
- 3. In addition to the requirements of paragraphs G.2.a through c herein, the following apply:
 - a. The Plan or the Plan's Designee shall provide for a review that does not afford deference to the initial Adverse Benefit Determination and will be conducted by an appropriate named fiduciary of the Plan who is neither the individual who made the Adverse Benefit Determination that is the subject of the Appeal, nor the subordinate of such individual;

- b. In deciding an Appeal of any Adverse Benefit Determination that is based in whole or in part on a medical judgment, including determinations with regard to whether a particular treatment, drug, or other item is Experimental/ Investigational, or not Medically Necessary or appropriate, the appropriate named fiduciary shall consult with a Health Care Professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
 - c. Upon request, the Plan or the Plan's Designee will identify medical or vocational experts whose advice was obtained on behalf of the Plan in connection with a Claimant's Adverse Benefit Determination, without regard to whether the advice was relied upon in making the benefit determination;
 - d. Health Care Professionals engaged for purposes of a consultation under paragraph G.3.b herein shall be individuals who were neither consulted in connection with the Adverse Benefit Determination that is the subject of the Appeal, nor subordinates of any such individuals; and
 - e. In the case of a Claim Involving Urgent Care, a request for an expedited Appeal of an Adverse Benefit Determination may be submitted orally or in writing by the Claimant; and all necessary information, including the Plan's or the Plan Designee's determination on review, may be transmitted between the Plan or the Plan's Designee and the Claimant by telephone, facsimile, or other available similarly expeditious method.
4. Full and fair review. The Plan or the Plan's Designee shall allow a Claimant to review the claim file and to present evidence and testimony as part of the internal claims and Appeals process. Specifically, in addition to the requirements of paragraphs G.2.a through c herein, the following apply:
- a. The Plan or the Plan's Designee shall provide the Claimant, free of charge, with any new or additional evidence considered, relied upon, or generated by the Plan or the Plan's Designee (or at the direction of the Plan or the Plan's Designee) in connection with the claim; such evidence will be provided as soon as possible and sufficiently in advance of the date on which the Notice of Final Internal Adverse Benefit Determination is required to be provided under paragraph H. herein, to give the Claimant a reasonable opportunity to respond prior to that date; and
 - b. Before the Plan or the Plan's Designee issues a Final Internal Adverse Benefit Determination based on a new or additional rationale, the Claimant shall be provided, free of charge, with the rationale; the rationale shall be provided as soon as possible and sufficiently in advance of the date on which the Notice of Final Internal Adverse Benefit Determination is required to be provided under paragraph H. herein, to give the Claimant a reasonable opportunity to respond prior to that date.
5. Avoiding conflicts of interest. In addition to the requirements of paragraphs B. and G. herein, regarding full and fair review, the Plan or the Plan's Designee shall ensure that all claims and Appeals are adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination, promotion, or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) shall not be made based upon the likelihood that the individual will support the denial of benefits.

H. TIMING OF NOTIFICATION OF DETERMINATION OF APPEAL

1. In general. Except as provided below and in paragraph H.2, a Claimant shall be Notified in accordance with paragraph I. herein of the benefit determination on review within a reasonable period of time, but not later than sixty (60) days after receipt of the Claimant's request for review, unless it is determined that special circumstances require an extension of time for processing the claim. If it is determined that an extension of time for processing is required, written Notice of the extension shall be furnished to the Claimant prior to the termination of the initial sixty (60)-day period. In no event shall such extension exceed a period of sixty (60) days from the end of the initial period. The extension Notice shall indicate the special circumstances requiring an extension of time and the date by which the Plan or the Plan's Designee expects to render the determination on review.
2. The Plan or the Plan's Designee shall notify a Claimant of its benefit determination on review in accordance with the following, as appropriate.
 - a. Urgent care claims. In the case of a Claim Involving Urgent Care, the Claimant shall be Notified, in accordance with paragraph I. herein, of the benefit determination on review as soon as possible, taking into account the medical exigencies, but not later than seventy-two (72) hours after receipt of the Claimant's request for review of an Adverse Benefit Determination.
 - b. Pre-service claims. In the case of a Pre-Service Claim, the Claimant shall be Notified, in accordance with paragraph I. herein, of the benefit determination on review within a reasonable period of time appropriate to the medical circumstances. Such Notification shall be provided not later than thirty (30) days after receipt of the Claimant's request for review of an Adverse Benefit Determination.
 - c. Post-service claims. In the case of a Post-Service Claim, except as provided below, the Claimant shall be Notified, in accordance with paragraph I. herein, of the benefit determination on review within a reasonable period of time. Such Notification shall be provided not later than sixty (60) days after receipt of the Claimant's request for review of an Adverse Benefit Determination.
3. Calculating time periods. For purposes of paragraph H. herein, the period of time within which a benefit determination on review shall be made begins at the time an Appeal is received by the Plan or the Plan's Designee, without regard to whether all the information necessary to make a benefit determination on review accompanies the filing. In the event that a period of time is extended as permitted pursuant to paragraph I.1 herein due to a Claimant's failure to submit information necessary to decide a claim, the period for making the benefit determination on review shall be tolled from the date on which the Notification of the extension is sent to the Claimant until the date on which the Claimant responds to the request for additional information.
4. In the case of an Adverse Benefit Determination on review, upon request, the Plan or the Plan's Designee shall provide such access to, and copies of Relevant documents, records, and other information described in paragraphs I.3, I.4, and I.5 herein as is appropriate.

I. MANNER AND CONTENT OF NOTIFICATION OF BENEFIT DETERMINATION ON APPEAL

The Plan or the Plan's Designee shall provide a Claimant with written or electronic Notification of its benefit determination on review. In the case of an Adverse Benefit Determination, the Notification shall set forth, in a manner calculated to be understood by the Claimant:

1. The specific reason or reasons for the adverse determination;
2. Reference to the specific Plan provisions on which the benefit determination is based;
3. A statement that the Claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information Relevant to the Claimant's Claim For Benefits;
4. A statement describing any voluntary Appeal procedures offered by the Plan and the Claimant's right to obtain the information about such procedures, and a statement of the Claimant's right to bring an action under section 502(a) of the Act; and
5.
 - a. If an internal rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination and that a copy of the rule, guideline, protocol, or other similar criterion will be provided free of charge to the Claimant upon request;
 - b. If the Adverse Benefit Determination is based on a Medical Necessity or Experimental/Investigational treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the Claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request; and
 - c. Other information may be available regarding dispute resolutions through your local U.S. Department of Labor Office and or your State insurance regulatory agency.

Notice will be provided in accordance with paragraph J., herein.

J. NOTICE

1. Notice. The Plan or the Plan's Designee shall provide Notice to individuals, in a culturally and linguistically appropriate manner (as described in paragraph 2. of this section) in accordance with paragraphs F. and I. herein. Additionally:
 - a. The Plan or the Plan's Designee shall ensure that any notice of Adverse Benefit Determination or Final Internal Adverse Benefit Determination includes information sufficient to identify the claim involved (including the date of service, the Health Care Provider, the claim amount (if applicable), and a statement describing the availability, upon request, of the diagnosis code and its corresponding meaning, and the treatment code and its corresponding meaning).
 - b. The Plan or the Plan's Designee shall provide to a Claimant, as soon as practicable, upon request, the diagnosis code and its corresponding meaning, and the treatment code and its corresponding meaning, associated with any Adverse Benefit Determination or Final Internal Adverse Benefit Determination. The Plan or the Plan's Designee shall not consider a request for such diagnosis and treatment information, in itself, to be a request for an internal Appeal under this paragraph or an External Review under paragraph K of this section.
 - c. The Plan or the Plan's Designee shall ensure that the reason or reasons for the Adverse Benefit Determination or Final Internal Adverse Benefit Determination includes the denial code and its corresponding meaning, as well as a description of the Plan's or the Plan Designee's standard, if any, that was used in denying the

claim. In the case of a Notice of Final Internal Adverse Benefit Determination, this description must include a discussion of the decision.

- d. The Plan or the Plan's Designee shall provide a description of available Internal Appeals and External Review processes, including information regarding how to initiate an Appeal.
- e. The Plan or the Plan's Designee shall disclose the availability of, and contact information for, any applicable office of health insurance consumer assistance or ombudsman established under PHS Act section 2793 to assist individuals with the internal claims and Appeals and External Review processes.

2. Form and manner of Notice.

- a. In general. For purposes of this section, a Group Health Plan is considered to provide Relevant Notices in a culturally and linguistically appropriate manner if the Plan or the Plan's Designee meets all the requirements of paragraph b. of this section with respect to the applicable non-English languages described in paragraph c. of this section.
- b. Requirements
 - 1) The Plan or the Plan's Designee shall provide oral language services (such as a telephone customer assistance hotline) that include answering questions in any applicable non-English language and providing assistance with filing claims and Appeals (including External Review) in any applicable non-English language;
 - 2) The Plan or the Plan's Designee shall provide, upon request, a Notice in any applicable non-English language; and
 - 3) The Plan or the Plan's Designee shall include in the English versions of all Notices, a statement prominently displayed in any applicable non-English language clearly indicating how to access the language services provided by the Plan or the Plan's Designee.
- c. Applicable non-English language. With respect to an address in any United States county to which a Notice is sent, a non-English language is an applicable non-English language if ten percent or more of the population residing in the county is literate only in the same non-English language, as determined in guidance published by the Secretary.

K. EXTERNAL REVIEW PROCESS

- 1. When filing a request for an External Review, the Claimant will be required to authorize the release of any medical records of the Claimant that may be required to be reviewed for the purpose of reaching a decision on the External Review.
- 2. If a Claimant is in need of assistance, they may contact the appropriate agency as follows:

Maryland Office of the Attorney General
Health Education and Advocacy Unit
200 St. Paul Place, 16th Floor
Baltimore, MD 21202
(877) 261-8807
<http://www.oag.state.md.us/Consumer/HEAU.htm>
heau@oag.state.md.us

Additionally, the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) may also be a helpful resource to a Claimant in need of assistance.

EBSA may be contacted at: 1-866-444-EBSA (3272) or www.askebsa.dol.gov.

3. Scope

- a. In general. Subject to the suspension provision in paragraph b. of this section and except to the extent provided otherwise by the Secretary in guidance, the External Review process established pursuant to this paragraph K. applies to any Adverse Benefit Determination or Final Internal Adverse Benefit Determination, except that a denial, reduction, termination, or a failure to provide payment for a benefit based on a determination that a Claimant fails to meet the requirements for eligibility under the terms of a Group Health Plan is not eligible for the External Review process under this paragraph K.
- b. Suspension of general rule. Unless or until this suspension is revoked in guidance by the Secretary, with respect to claims for which External Review has not been initiated before September 20, 2011, the External Review process established pursuant to this paragraph K. applies only to:
 - 1) An Adverse Benefit Determination (including a Final Internal Adverse Benefit Determination) by the Plan or the Plan's Designee that involves medical judgment (including, but not limited to, those based on the Plan's or the Plan Designee's requirements for Medical Necessity, appropriateness, health care setting, level of care, or effectiveness of a Covered Service; or its determination that a treatment is Experimental/ Investigational), as determined by the External Reviewer; and
 - 2) A Rescission of coverage (whether or not the Rescission has any effect on any particular benefit at that time).

4. Standard External Review for self-insured group health Plans

This section sets forth procedures for standard External Review for self-insured Group Health Plans. Standard External Review is External Review that is not considered expedited (as described in paragraph 5 of this section).

- a. Request for External Review. The Group Health Plan allows a Claimant to file a request for an External Review with the Plan or the Plan's Designee if the request is filed within four months after the date of receipt of a Notice of an Adverse Benefit Determination or Final Internal Adverse Benefit Determination. If there is no corresponding date four months after the date of receipt of such a Notice, then the request must be filed by the first day of the fifth month following the receipt of the Notice. For example, if the date of receipt of the Notice is October 30, because there is no February 30, the request must be filed by March 1. If the last filing date would fall on a Saturday, Sunday, or Federal holiday, the last filing date is extended to the next day that is not a Saturday, Sunday, or Federal holiday.
- b. Preliminary review. Within five business days following the date of receipt of the External Review request, the Group Health Plan or the Plan's Designee shall complete a preliminary review of the request to determine whether:
 - 1) The Claimant is or was covered under the Plan at the time the health care item or service was requested or, in the case of a retrospective review,

was covered under the Plan at the time the health care item or service was provided;

- 2) The Adverse Benefit Determination or the final Adverse Benefit Determination does not relate to the Claimant's failure to meet the requirements for eligibility under the terms of the Group Health Plan (e.g., worker classification or similar determination);
- 3) The Claimant has exhausted the Plan's Internal Appeal process unless the Claimant is not required to exhaust the Internal Appeals process as described under paragraph E.3; and
- 4) The Claimant has provided all the information and forms required to process an External Review.

Within one business day after completion of the preliminary review, the Plan or the Plan's Designee shall issue a Notification in writing to the Claimant. If the request is complete but not eligible for External Review, such Notification shall include the reasons for its ineligibility and contact information for the Employee Benefits Security Administration (toll-free number 866-444-EBSA (3272)). If the request is not complete, such Notification shall describe the information or materials needed to make the request complete and the Plan or the Plan's Designee shall allow a Claimant to perfect the request for External Review within the four-month filing period or within the forty-eight (48)-hour period following the receipt of the Notification, whichever is later.

- c. Referral to Independent Review Organization. The Group Health Plan shall assign an Independent Review Organization (IRO) that is accredited by URAC or by a similar nationally-recognized accrediting organization to conduct the External Review. Moreover, the Plan or the Plan's Designee shall take action against bias and to ensure independence. Accordingly, the Plan or the Plan's Designee shall contract with at least three IROs for assignments under the Plan and rotate claims assignments among them (or incorporate other independent unbiased methods for selection of IROs, such as random selection). In addition, the IRO may not be eligible for any financial incentives based on the likelihood that the IRO will support the denial of benefits.

The contract between the Plan or the Plan's designee and an IRO, shall include the following:

- 1) The assigned IRO will utilize legal experts where appropriate to make coverage determinations under the Plan.
- 2) The assigned IRO will timely notify the Claimant in writing of the request's eligibility and acceptance for External Review. This Notice will include a statement that the Claimant may submit in writing to the assigned IRO within ten business days following the date of receipt of the Notice additional information that the IRO must consider when conducting the External Review. The IRO is not required to, but may, accept and consider additional information submitted after ten business days.
- 3) Within five business days after the date of assignment of the IRO, the Plan or the Plan's Designee shall provide to the assigned IRO the documents and any information considered in making the Adverse Benefit Determination or Final Internal Adverse Benefit Determination. Failure by the Plan or the Plan's Designee to timely provide the

documents and information will not delay the conduct of the External Review. If the Plan or the Plan's Designee fails to timely provide the documents and information, the assigned IRO may terminate the External Review and make a decision to reverse the Adverse Benefit Determination or Final Internal Adverse Benefit Determination. Within one business day after making the decision, the IRO shall notify the Claimant and the Plan or the Plan's Designee.

- 4) Upon receipt of any information submitted by the Claimant, the assigned IRO shall within one business day forward the information to the Plan or the Plan's Designee. Upon receipt of any such information, the Plan or the Plan's Designee may reconsider its Adverse Benefit Determination or Final Internal Adverse Benefit Determination that is the subject of the External Review. Reconsideration by the Plan or the Plan's Designee shall not delay the External Review. The External Review may be terminated as a result of the reconsideration only if the Plan or the Plan's Designee decides, upon completion of its reconsideration, to reverse its Adverse Benefit Determination or Final Internal Adverse Benefit Determination and provide coverage or payment. Within one business day after making such a decision, the Plan or the Plan's Designee shall provide written Notice of its decision to the Claimant and the assigned IRO. The assigned IRO shall terminate the External Review upon receipt of the Notice from the Plan or the Plan's Designee.
- 5) The IRO will review all of the information and documents timely received. In reaching a decision, the assigned IRO will review the claim de novo and not be bound by any decisions or conclusions reached during the Plan's or the Plan Designee's internal claims and Appeals process applicable under paragraph E. of this section. In addition to the documents and information provided, the assigned IRO, to the extent the information or documents are available and the IRO considers them appropriate, will consider the following in reaching a decision:
 - (a) The Claimant's medical records;
 - (b) The attending health care professional's recommendation;
 - (c) Reports from appropriate health care professionals and other documents submitted by the Plan or the Plan's Designee, Claimant, or the Claimant's treating provider;
 - (d) The terms of the Claimant's Plan to ensure that the IRO's decision is not contrary to the terms of the Plan, unless the terms are inconsistent with applicable law;
 - (e) Appropriate practice guidelines, which must include applicable evidence-based standards and may include any other practice guidelines developed by the Federal government, national or professional medical societies, boards, and associations;
 - (f) Any applicable clinical review criteria developed and used by the Plan or the Plan's Designee, unless the criteria are inconsistent with the terms of the Plan or with applicable law; and
 - (g) The opinion of the IRO's clinical reviewer or reviewers after considering the information described in this Notice to the extent

the information or documents are available and the clinical reviewer or reviewers consider appropriate.

- 6) The assigned IRO shall provide written Notice of the final External Review decision within forty-five (45) days after the IRO receives the request for the External Review. The IRO shall deliver the Notice of final External Review decision to the Claimant and the Plan or the Plan's Designee.
- 7) The assigned IRO's decision Notice will contain:
 - (a) A general description of the reason for the request for External Review, including information sufficient to identify the claim (including the date or dates of service, the Health Care Provider, the claim amount (if applicable), the diagnosis code and its corresponding meaning, the treatment code and its corresponding meaning, and the reason for the previous denial);
 - (b) The date the IRO received the assignment to conduct the External Review and the date of the IRO decision;
 - (c) References to the evidence or documentation, including the specific coverage provisions and evidence-based standards, considered in reaching its decision;
 - (d) A discussion of the principal reason or reasons for its decision, including the rationale for its decision and any evidence-based standards that were relied on in making its decision;
 - (e) A statement that the determination is binding except to the extent that other remedies may be available under state or federal law to either the Group Health Plan or to the Claimant;
 - (f) A statement that judicial review may be available to the Claimant; and
 - (g) Current contact information, including phone number, for any applicable office of health insurance consumer assistance or ombudsman established under PHS Act section 2793.
- 8) After a final External Review decision, the IRO shall maintain records of all claims and Notices associated with the External Review process for six years. An IRO shall make such records available for examination by the Claimant, Plan, or state or federal oversight agency upon request, except where such disclosure would violate state or federal privacy laws.

- d. Reversal of Plan's decision. Upon receipt of a Notice of a final External Review decision reversing the Adverse Benefit Determination or Final Internal Adverse Benefit Determination, the Plan or the Plan's Designee shall immediately provide coverage or payment (including immediately authorizing or immediately paying benefits) for the claim.

5. Expedited External Review for self-insured Group Health Plans

- a. Request for expedited External Review. The Group Health Plan shall allow a Claimant to make a request for an expedited External Review with the Plan or the Plan's Designee at the time the Claimant receives:

- 1) An Adverse Benefit Determination if the Adverse Benefit Determination involves a medical condition of the Claimant for which the timeframe for completion of an expedited Internal Appeal under paragraph E.2.a would seriously jeopardize the life or health of the Claimant or would jeopardize the Claimant's ability to regain maximum function and the Claimant has filed a request for an expedited Internal Appeal;
 - 2) A Final Internal Adverse Benefit Determination, if the Claimant has a medical condition where the timeframe for completion of a standard External Review would seriously jeopardize the life or health of the Claimant or would jeopardize the Claimant's ability to regain maximum function, or if the Final Internal Adverse Benefit Determination concerns an admission, availability of care, continued stay, or health care item or service for which the Claimant received Emergency Services, but has not been discharged from a facility.
- b. Preliminary review. Immediately upon receipt of the request for expedited External Review, the Plan or the Plan's Designee shall determine whether the request meets the reviewability requirements set forth in paragraph K.4.b above for standard External Review. The Plan or the Plan's Designee shall immediately send a Notice that meets the requirements set forth in paragraph K.4.b above for standard External Review to the Claimant of its eligibility determination.
 - c. Referral to Independent Review Organization. Upon a determination that a request is eligible for External Review following the preliminary review, the Plan or the Plan's Designee will assign an IRO pursuant to the requirements set forth in paragraph K.4.c above for standard review. The Plan or the Plan's Designee shall provide or transmit all necessary documents and information considered in making the Adverse Benefit Determination or Final Internal Adverse Benefit Determination to the assigned IRO electronically or by telephone or facsimile or any other expeditious method.

The assigned IRO, to the extent the information or documents are available and the IRO considers them appropriate, shall consider the information or documents described above under the procedures for standard review. In reaching a decision, the assigned IRO shall review the claim de novo and is not bound by any decisions or conclusions reached during the Plan's or the Plan Designee's internal claims and Appeals process.
 - d. Notice of final External Review decision. The Plan's or the Plan Designee's contract with the assigned IRO shall require the IRO to provide Notice of the final External Review decision, in accordance with the requirements set forth in paragraph K.4.c above, as expeditiously as the Claimant's medical condition or circumstances require, but in no event more than seventy-two (72) hours after the IRO receives the request for an expedited External Review. If the Notice is not in writing, within forty-eight (48) hours after the date of providing that Notice, the assigned IRO shall provide written confirmation of the decision to the Claimant and the Plan or the Plan's Designee.
6. An External Review decision is binding on the Plan or the Plan's Designee, as well as the Claimant, except to the extent other remedies are available under state or federal law, and except that the requirement that the decision be binding shall not preclude the Plan or the Plan's Designee from making payment on the claim or otherwise providing benefits at any time, including after a final External Review decision that denies the claim or otherwise fails to require such payment or benefits. For this purpose, the Plan or the Plan's Designee shall provide any benefits (including by making payment on the claim) pursuant to the final External Review decision without delay, regardless of whether the

Plan or the Plan's Designee intends to seek judicial review of the External Review decision and unless or until there is a judicial decision otherwise.

COVID-19 AMENDMENT

This Evidence of Coverage is amended for the duration of the Outbreak Period, as such is defined below, as follows:

I. Adding the following definitions to the “Definitions” section of the Evidence of Coverage:

Agencies means the Employee Benefits Security Administration (EBSA), the Department of Labor (DOL), the Internal Revenue Service (IRS), and the Department of the Treasury.

Outbreak Period means the period beginning on March 1, 2020 and ending no earlier than sixty (60) days after the announced end of the COVID-19 national emergency or such other date announced by the Agencies.

II. Adding paragraph 4 to subsection B., “Enrollment Opportunities and Effective Dates” of the “Eligibility and Enrollment” section of the Evidence of Coverage, as follows:

B. Enrollment Opportunities and Effective Dates

4. Special Enrollment Periods Extension

- a. If the applicable Special Enrollment Period (the “Original Special Enrollment Period”) overlaps the Outbreak Period by any measure of time, the applicable Special Enrollment Period extension will be determined as follows:

- 1) If the Original Special Enrollment Period begins before the Outbreak Period and ends during the Outbreak Period, the Original Special Enrollment Period extension will be equal to the duration of the Original Special Enrollment Period minus any time elapsed from the Original Special Enrollment Period start date to the Outbreak Period start date. This adjusted extension will begin on the end date of the Outbreak Period.

The following example assumes an Outbreak Period end date of June 30, 2020.

Example: Subscriber X gave birth on February 15, 2020, triggering the start of the thirty (30) day Original Special Enrollment Period.

As of March 1, 2020 (i.e., the beginning date of the Outbreak Period), the Original Special Enrollment Period had run for fourteen (14) days. Thus, the Enrollment Period extension is sixteen (16) days. This accounts for the fourteen (14) days elapsed from the child’s date of birth to the beginning of the Outbreak Period.

After adjustment, the Original Special Enrollment Period that would have ended on March 16, 2020 continues to run for an additional sixteen (16) days past the end of the Outbreak Period (ending on July 16, 2020).

- 2) If the Original Special Enrollment Period begins during the Outbreak Period and ends after the Outbreak Period, the Original

Special Enrollment Period extension will be equal to the time elapsed from the beginning of the Original Special Enrollment Period to the end of the Outbreak Period. This extension will be appended to the end date of the Original Special Enrollment Period.

The following example assumes an Outbreak Period end date of June 30, 2020.

Example: Individual X, a dependent of a Subscriber, covered under a Medicaid plan under Title XIX of the Social Security Act, lost coverage on June 2, 2020 (during the Outbreak Period), triggering the sixty (60) day original Medicaid Special Enrollment Period. This Original Special Enrollment period ends on August 1, 2020 (after the Outbreak Period).

As of June 30, 2020 (i.e., the end date of the Outbreak Period), the Original Special Enrollment Period had run for twenty (29) days. Thus, Individual X's Original Special Enrollment Period is adjusted to account for the twenty (29) days that elapsed during the Outbreak Period.

After adjustment, the Original Special Enrollment Period that would have ended on August 1, 2020 continues to run for an additional twenty (29) days, ending on August 30, 2020.

b. Effective Dates of Coverage

Coverage for Subscribers and Dependents enrolled pursuant to an extended enrollment period will be effective as stated in the Eligibility Schedule of this Evidence of Coverage.

III. Adding the following table to the “ELIGIBILITY SCHEDULE” of the Evidence of Coverage:

EXTENSION OF SPECIAL ENROLLMENT PERIODS
The Special Enrollment Periods stated in this Eligibility Schedule are subject to the provision of section B.4., of the “Eligibility and Enrollment” section of this Evidence of Coverage.

IV. Adding the following “CORONAVIRUS DISEASE 2019 SERVICES” subsection to the “Description of Covered Services” section of the Evidence of Coverage:

CORONAVIRUS DISEASE 2019 SERVICES

A. Definitions

Coronavirus Disease 2019 (COVID-19) means is an illness caused by a novel coronavirus, SARS-CoV-2.

Qualifying Coronavirus Preventive Service means an item, service, or immunization that is intended to prevent or mitigate COVID-19 and that is:

1. an evidence-based item or service that has in effect a rating of “A” or “B” in the current recommendations of the United States Preventive Services Task Force (USPSTF); or
2. an immunization that has in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention (CDC) with respect to the Member in question.

Serological Tests means a test that measures the level of antibodies or proteins present in the blood when the body is responding or has responded to a specific infection, like COVID-19.

B. Covered Services

1. In vitro diagnostic tests for detection of SARS-CoV-2 and Serological Tests, if the tests meet the following requirements:
 - a. The test has been approved by the FDA, or
 - b. The developers of the test in question have requested or intend to request emergency use authorization from the FDA, or
 - c. The test has been developed in and authorized by state authorities, or
 - d. The Secretary of Health and Human Services has determined the test to be appropriate.
2. Administration of the diagnostic tests.
3. Health Care Provider visits, including items and services furnished during the Health Care Provider visit, if the visit results in an order for or the administration of COVID-19 testing, only to the extent those items and services relate to:
 - a. The furnishing or administration of COVID-19 testing; or
 - b. The evaluation of the Member’s need for COVID-19 testing.

If the Health Care Provider’s evaluation of the Member’s need for COVID-19 testing requires screening for other respiratory illnesses, the additional testing (e.g., influenza testing, blood tests, etc.) will be covered to the same extent as benefits provided for COVID-19 Covered Services, if the additional testing results in an order for or the administration of COVID-19 tests.

Covered Health Care Provider visits, include but are not limited to, office visits, Telemedicine Services, Urgent Care visit, and visits to the emergency room or emergency department of a hospital.

4. Qualifying Coronavirus Preventive Services. Coverage for Qualifying Coronavirus Preventive Services will begin no later than fifteen (15) business days after the date after which the USPSTF or CDC issues the applicable recommendation of the item, service, or immunization.

C. Benefits available under this section are not subject to prior authorization or any other Utilization Management requirement.

V. Adding the following “CORONAVIRUS DISEASE 2019 SERVICES” table to the “Schedule of Benefits” section of the Evidence of Coverage:

Covered Service	CareFirst Payment	
	Contracted Health Care Provider	Non-Contracted Health Care Provider
Coronavirus Disease 2019 Services	Limitations No prior authorization required for COVID-19 Covered Services.	
In vitro diagnostic tests for detection of SARS-CoV-2 and Serological Tests	No Deductible required 100% of Allowed Benefit	No Deductible required 100% of Allowed Benefit*
Administration of in vitro diagnostic tests for detection of SARS-CoV-2 and Serological Tests		
Health Care Provider visits, if the visit results in an order for or the administration of COVID-19 testing		
Qualifying Coronavirus Preventive Service		
Treatment of Coronavirus Disease	Benefits are available to the same extent as benefits provided for other illnesses.	
*The Allowed Benefit for COVID-19 Covered Services rendered by Health Care Providers that have not contracted with CareFirst or CareFirst BlueChoice is the provider’s actual charge, unless CareFirst has negotiated a lower rate with the Member’s Health Care Provider, in which case, the lower negotiated rate applies.		

VI. Deleting in its entirety the “Telemedicine Services” row from the “Outpatient Health Care Provider Services- Medical care and consultations (illness visits)” table of the “Schedule of Benefits” section the Evidence of Coverage, and replacing it with the following:

Telemedicine Services regardless of diagnosis (except for Telemedicine Services provided under the Coronavirus Disease 2019 Services)	
Video visits provided by American Well© Providers	No Deductible required 100% of Allowed Benefit
All other Telemedicine Services	No Deductible required 100% of Allowed Benefit
Telemedicine Services provided under the Coronavirus Disease 2019 Services	Benefits are available as stated in the <i>Coronavirus Disease 2019 Services- Health Care Provider visits</i> ” table, above.

VII. Adding the following provision as the last subsection of the “Claims Procedures” section of the Evidence of Coverage:

K. EXTENSION OF CLAIMS PROCEDURE TIMEFRAMES

1. The duration of the Outbreak Period is disregarded in the calculation of the start date and end date of all of the Claimant’s timeframes stated in these Claims Procedures.
 - a. If the Claimant’s timeframe overlaps the Outbreak Period by any measure of time, the Claimant extension will be determined as follows:
 - 1) If the Claimant’s timeframe begins and ends during the Outbreak Period, the timeframe extension will be equal to the duration of the period of time originally afforded to the Claimant. This extended period will begin on the end date of the Outbreak Period.
 - 2) If the Claimant’s timeframe begins before the Outbreak Period and ends during the Outbreak Period, the timeframe extension will be equal to the period of time originally afforded to the Claimant *minus* any time elapsed from the original timeframe start date to the Outbreak Period start date. This adjusted extension will begin on the end date of the Outbreak Period.
 - 3) If the Claimant’s timeframe begins during the Outbreak Period and ends after the Outbreak Period, the timeframe extension will be equal to the time elapsed from the beginning of the Claimant’s timeframe to the end of the Outbreak Period. This extension will be appended to the end date of the Claimant’s timeframe.

All remaining terms and conditions of the Evidence of Coverage shall remain in full force and effect.

Where the provisions of this amendment and the Evidence of Coverage vary, the provisions of this amendment will prevail over the Evidence of Coverage. Where the provisions of this amendment and a previously effective amendment vary, the provisions of this amendment will prevail.

Once the Outbreak Period ends, the provisions of this amendment are no longer in effect.
