| Important Questions   | Answers  | Why This Matters:   |
|---|--|---|
| What is the overall deductible?   | In-Network: \$500 individual/\$1,500 family; Out-of-Network: \$1,000 individual/\$3,000 family   | Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family member(s) on the <u>plan</u> , each family member may need to meet their own individual <u>deductible</u> , OR all family members may combine to meet the overall family <u>deductible</u> before the <u>plan</u> begins to pay, depending upon plan coverage. Please refer to your contract for further details.  |
| Are there services covered before you meet your <u>deductible</u> ?         | Yes, all In-Network preventive care services, as well as the following non-hospital facilities only, when applicable: Outpatient surgery, Emergency room, Urgent care, Home Health Care and Hospice Services | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .                                    |
| Are there other deductibles for specific services?                          | There are no other specific deductibles.   | You don't have to meet deductibles for specific services.   |
| What is the <u>out-of-</u><br><u>pocket limit</u> for this<br><u>plan</u> ? | Medical: In-Network: \$2,000 individual/\$6,000 family; Out-of-Network: \$4,000 individual/\$8,000 family.   | The <u>out-of-pocket limit</u> is the most you could pay in a <u>plan</u> year for covered services. If you have other family member(s) on the <u>plan</u> , each family member may need to meet their own <u>out-of-pocket limits</u> , OR all family members may combine to meet the overall family <u>out-of-pocket limit</u> , depending upon <u>plan</u> coverage. Please refer to your contract for further details.  |
| What is not included in the <u>out-of-pocket limit</u> ?                    | Premiums, balance-billing charges, health care this plan doesn't cover, copayments for certain services, and penalties for failure to obtain preauthorization for services.                                  | Even though you pay these expenses, they don't count toward the out-of-pocket limit.  |
| Will you pay less if you use a <u>network</u> <u>provider</u> ?             | Yes. See <a href="http://provider.bcbs.com/">http://provider.bcbs.com/</a> or call 844-460-2801 for a list of Network providers.   | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
