Coverage for: Individual or Family | Plan Type: HDHP

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately.

This is only a summary. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can see the Glossary at <u>www.healthcare.gov/sbc-glossary</u> or call 844-460-2801 to request a copy. For more information about your coverage, or to get a copy of the complete terms of coverage, please visit <u>jhu.quantum-health.com</u>.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-Network: \$1,750 individual/\$3,500 family; Out-of-Network: \$3,500 individual/\$7,000 family	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family member(s) on the <u>plan</u> , each family member may need to meet their own individual <u>deductible</u> , OR all family members may combine to meet the overall family <u>deductible</u> before the <u>plan</u> begins to pay, depending upon plan coverage. Please refer to your contract for further details.
Are there services covered before you meet your <u>deductible</u> ?	Yes. All In-Network preventive care services and telemedicine.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	There are no other specific deductibles.	You don't have to meet deductibles for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	Medical: In-Network: \$3,500 individual/\$7,000 family; Out-of-Network: \$7,000 individual/\$14,000 family.	The <u>out-of-pocket limit</u> is the most you could pay in a <u>plan</u> year for covered services. If you have other family member(s) on the <u>plan</u> , each family member may need to meet their own <u>out-of-pocket limits</u> , OR all family members may combine to meet the overall family <u>out-of-pocket limit</u> , depending upon <u>plan</u> coverage. Please refer to your contract for further details.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, health care this plan doesn't cover, copayments for certain services, and penalties for failure to obtain preauthorization for services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes. See http://provider.bcbs.com/ or call 844-460-2801 for a list of Network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
