Employee's will need to submit a course approval application for each quarter, semester, or academic term. Managers and HR will only have to re-approve an employee's application if there is a change to degree type or field of study.

If you are taking classes at JHU and utilizing Tuition Remission, after your application is approved, you will download a copy of your Employee Verification Letter from the EdAssist platform (click actions in the approved application). This should be submitted to student accounts and then your account will be funded with the approved amount. You will need to load your final invoice to your EdAssist account within 30 days of course start date.

Applications should be submitted prior to the course start date. Applications will **not be accepted later than 30 days after the course start date.**

11. How do I check the status of my application?

You can check the status of your application at any time by logging into EdAssist. You will also receive email notifications when your application status changes; please make sure your email address in your EdAssist profile is current.

12. What if my application is denied?

If your application is denied, you'll receive an email that includes the reason for denial. If you believe your application was denied inappropriately, you can submit an appeal directly within EdAssist for review by system administrators.

Payment Process:

13. How does the payment or reimbursement process work?

Undergraduate benefits – Two options available

- Employees are eligible for immediate **reimbursement**. In the EdAssist platform, you will upload your invoice showing all tuition and fees. This can be done at time of application. Upon application approval, you will receive an automated email notification when your application is processed for payment, and you should receive your payment via payroll/direct deposit within 1-2 pay periods.
- Undergraduate benefits can be administered as a **pre-payment**. JHU's administrator, Bright Horizons/EdAssist, will make the payment directly to the school on your behalf. You will then be responsible for any remaining balance or expenses that are not covered by the tuition plan.

Graduate benefits – Graduate degrees outside of JHU will be administered as a reimbursement to the employee. Reimbursement will occur after the course is complete and a passing grade is submitted. You must

submit proof of successful course completion (grades) and an itemized invoice of tuition and fees within **60 days after course completion** in order to receive reimbursement. You will receive an automated email notification when your application is processed for payment, and you should receive your payment via payroll/direct deposit within 1-2 pay periods. Any benefit received over \$5,250 will be taxed at time of reimbursement.

Graduate benefits or individual courses at JHU - For employees participating in the Tuition Remission program and pursuing their degree at JHU, the employee will submit an itemized invoice of tuition and fees to EdAssist upon application approval or at time of application. Invoices should be loaded no later than 30 days after the course start date. Payment will be handled through student accounts. Any benefit received over \$5,250 will be taxed through payroll.

For all programs, the employee is responsible for submitting proof of successful course completion (grades) within 60 days after course completion to close out the application.

14. What happens if a passing grade is not submitted, and a payment was already made?

Repayment of tuition and related expenses will be required for any course in which the employee fails to meet the policy course completion requirements. JHU benefits will work with the employee to repay any amounts.

Tax Implications

15. Are my benefits taxable?

In compliance with IRS regulations (section 127), employer provided educational assistance is exempt from taxation up to a maximum of \$5,250 per calendar year. Taxes will be assessed if, at the time of payment processing, the total amount of tuition assistance paid in the calendar year exceeds \$5,250.
