

Returning to your workplace?

Your Care.com benefits can help.

Whether you're headed back to the office full-time, transitioning to a hybrid work model, or working from home full-time, we know that this transition can be hard. We're here to support you – and your family – with whatever care needs you may have in this new normal.

WE CAN HELP YOU FIND:

- Ongoing child care in your home or center
- After school care
- Tutors to help your kids with their transition back to school
- Companion care for the seniors in your life
- Pet sitters and walkers so your four-legged friends aren't lonely
- Help keeping your home clean
