

On-demand care for illness and injuries is part of your employee benefits.

Fast, hassle-free health care.
Anytime. Anywhere.

CONVENIENT CARE

Talk to a board-certified MDLIVE doctor in just minutes when you need care fast, including prescriptions. No surprise costs. No hassle.

AFFORDABLE ALTERNATIVE TO URGENT CARE CLINICS

MDLIVE doctors care for more than 80 common, non-emergency conditions like flu, sinus infections, pink eye, ear pain, and UTIs (Females, 18+). Available 24/7/365, including nights, weekends, and holidays in all 50 states.

PRESCRIPTIONS

Your doctor can order prescriptions to your preferred pharmacy¹ and a summary of your visit can be shared with your local doctor upon request.

CARE FROM THE COMFORT OF HOME

MDLIVE is a reliable alternative to urgent care clinics so you can avoid long waits and exposure to viruses and germs.

RELIABLE CARE

Our doctors have an average of 15 years of experience.

¹Prescriptions are available at the physician's discretion when medically necessary. A renewal of an existing prescription can also be provided when your regular physician is unavailable, depending on the type of medication.

²Available in pill form only. Service is available for women 18-45 who are not currently pregnant and have had a normal blood pressure reading in the past 6 months.
