For investors with specialized investing needs, more choice can mean more opportunity to direct retirement investments across markets and asset classes outside of your plan's core lineup.

The TIAA Self-Directed Brokerage account is an optional feature made available by Johns Hopkins University. With this account, you can direct your retirement plan contributions among a variety of investment choices beyond the ones offered through your current plan.

A wide range of investment choices

With your brokerage account, you can independently research and select from thousands of mutual funds, including some well-known fund families.

Flexibility and simplicity

With TIAA Brokerage, there are multiple ways you can get information on your account and place orders to buy, sell or transfer investments.

- Do it all yourself by logging in to your account at TIAA.org/jhu.
- Contact a TIAA financial consultant by calling **800-842-2252**. They can place orders for you or answer any brokerage questions.

Details and step-by-step instructions to open an account are on the following pages.

Before you begin

There are certain requirements and important considerations for opening a TIAA Brokerage account.

- You'll need both a legitimate U.S. residential address and a legitimate U.S. mailing address. (P.O. boxes are not acceptable as a residential address but may be used for mailing if a residential address exists.)
- You'll need an established retirement account in the Johns Hopkins University 403(b) Plan for each brokerage account you want to open.
- There's an initial minimum transfer of \$1,000, up to 100%, from your retirement account to establish the brokerage account.
- There will be a minimum initial investment of \$500 or the required prospectus minimum, whichever is greater, and additional minimums may apply for subsequent investments.
- This account is self-directed. The investments in the brokerage account are not monitored by Johns Hopkins University.
- There's no minimum balance requirement, annual fee or maintenance fees; however, some mutual funds do have investment minimums.¹
- Transaction fees may apply. See the *Fees* section for complete details.
- Returns for mutual funds and other securities are not guaranteed, and you assume all the risks associated with investing in them.

¹ These minimum fees and expenses, including those which apply to a continued investment in a fund, are described in the fund's current prospectus.

There's also a 'Filter by fund family' dropdown set to 'Please select...' and a link to 'Other fund families >'. The main area displays a table of funds with columns 'TICKER SYMBOL' and 'FUND NAME'. The funds listed are: TAISX- TIAA-CREF Quant Intl Sm-Cp Eq Advisor, TBILX- TIAA-CREF Bond Index Institutional, TBILX- TIAA-CREF Bond Index Retail, TBIRX- TIAA-CREF Bond Index Retirement, TCBPX- TIAA-CREF Core Plus Bond Retail, TCBRX- TIAA-CREF Core Plus Bond R, TCIEIX- TIAA-CREF International Eq Idx Instl, TCIIIX- TIAA-CREF Lifecycle 2035 Institutional, TCILX- TIAA-CREF Inflation Link Bd Retail, and TCLCX- TIAA-CREF Large-Cap Value Retail. No, Asset Class Other, and Share Class Class Adv Shares. At the bottom right, there's a 'View Prospectus' link and a 'Done' button. A footer note says: 'If you would like to purchase a load fund, please call us at 800 927-3059.'

Frequently asked questions

Q: How can I take a distribution or withdrawal from my brokerage account?

A: Distributions or withdrawals from your brokerage account aren't made directly. To receive distributions or withdrawals from the funds in your brokerage account, you first must transfer the amount you wish to withdraw from your brokerage account to the core menu, then request a withdrawal.

Q: Are there any fees associated with my brokerage account?

A: If you open a brokerage account, you will be charged a commission on all applicable transactions based upon the fees outlined in the Customer Account Agreement or dictated by the terms of the fund. Please see the *Fees* section that follows these FAQs for more detailed information.

Q: Will my brokerage account be monitored by anyone besides me?

A: No. Unlike the plan-sponsored retirement accounts, it is the responsibility of each individual to monitor and manage their own self-directed brokerage account. **TIAA.org** provides tools that allow individuals to compare investment options, review share classes available and other factors so that you can make informed decisions.

Q: Will I receive confirmations of my trades?

A: Yes. A confirmation for every trade is sent to you, according to your preferences. You can always view your transaction history or trade confirmations in the secure portion of **TIAA.org/jhu** or on your monthly brokerage account statements.

Q: Are brokerage services available to foreign address participants?

A: No. TIAA Brokerage is only available to enrolled plan participants with a permanent U.S. residential and mailing address.
